DATE: 06-04-2022

NAME OF COMPANY: VIKAS GROUP

PAYROLL COMPANY NAME: VIKAS GROUP

COMPANY PROFILE SUMMARY:

Over 3 decades of experience in the Automotive Industry, **The Vikas Group** has successfully established itself as a prominent player in the Auto component Industry of the country. The Group has been able to successfully partner with leading companies around the world and has been amongst the first to bring in products and technologies, relevant to the times.

The Group today has a diversified portfolio of products like Automotive Air-Conditioning (Compressor, HVAC & Hose Pipes), Heat Exchangers (Condenser, Heater Core, Evaporator, Oil Cooler, Radiator), Emission After Treatment Systems (Catalytic convertor assemblies with substrate, coating & canning operations), precision machined components (Exhaust Manifolds, Flywheels, Differential Case, Compressor parts and laser fractured connecting rod), Iron Casting Component (For Brake System, Engine System, Transmission System), non-ferrous castings and non-ferrous extrusions of special profiles.

With a focus on Technology and constant endeavor towards operational excellence, the group has been able to develop strong organizational capabilities in the respective areas in order to be future ready and embrace challenging situations.

With a core ideology of Wisdom, Harmony, Challenge & Innovation, the Group has strongly believed in developing & engaging people for taking on various roles across businesses with increasing responsibility and has very effective HR processes for the same. **The group today has a manpower strength of over 3500 people.**

The Group today supplies products to customers across various segments of the Automotive Industry, right from 2/3 wheelers, Passenger Cars, Utility Vehicles, commercial vehicles and Off-Road applications. The Group has also begun its foray into the non-Automotive segments as well and expects this business to grow substantially.
