

Report of Awareness programme on getting the benefits of Immunizations held on 25/04/2022

Date of Event	25.04.2022
Mode of Event	Awareness Programme On Getting The Benefits Of Immunizations
Conducted by	School of Nursing
No. Of Participant	20

The World has been celebrating immunization week from 24th April to 30th April, for which the School of Nursing visited on 25th April 2022 at Musari Kudar village, Gamharia to aware the community people of the importance of getting the benefits of vaccinations. The theme was “Vaccines Work For All”. To accomplish the theme, the faculties imparted their knowledge to them effectively.

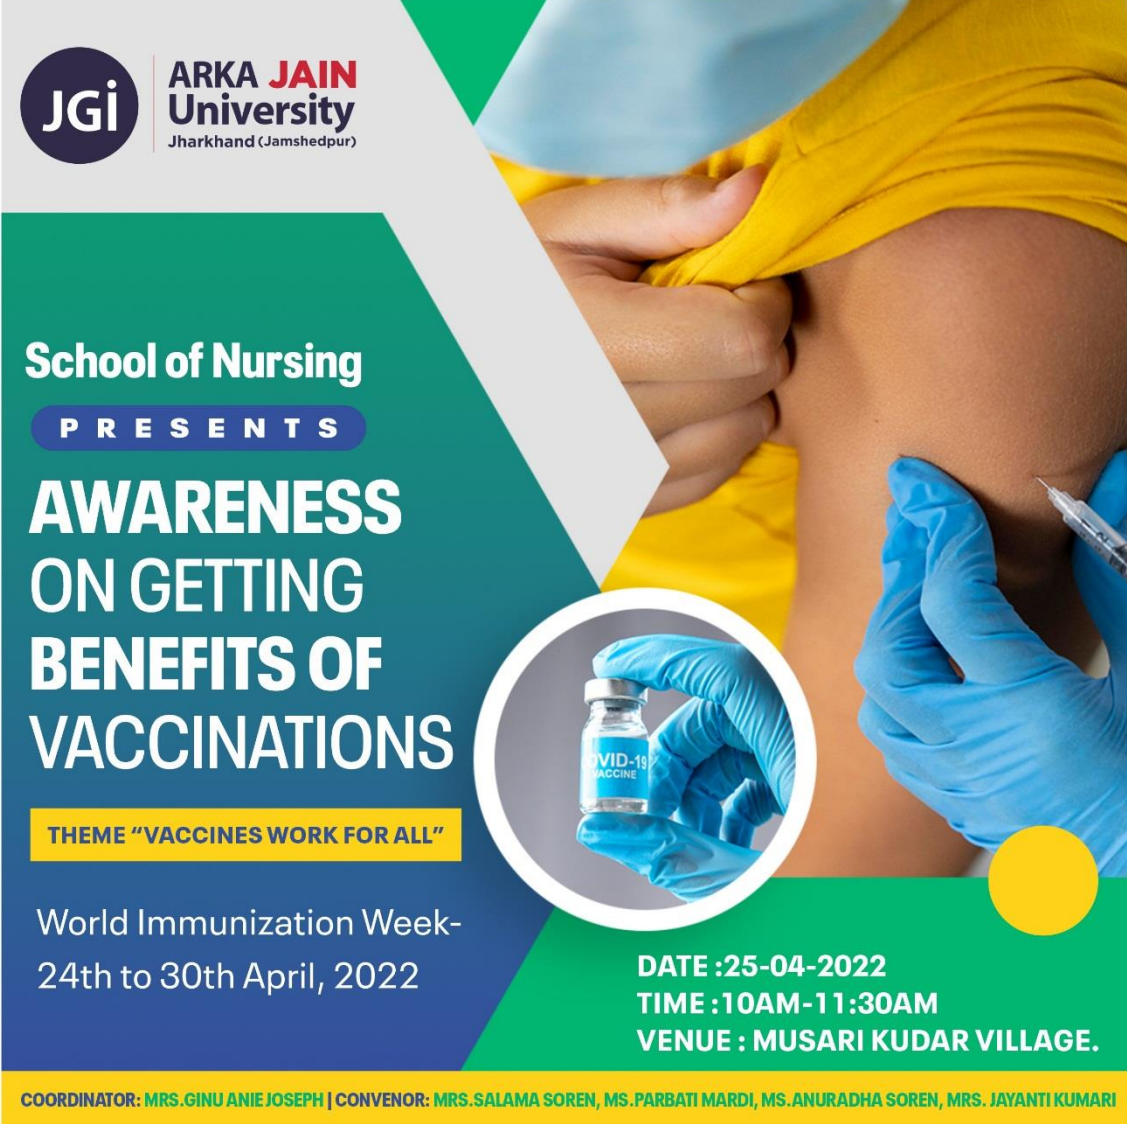

The event was started by Ms. Jayanti Kumari and she introduce the people to the purpose of the visit and welcomed all the people present over there followed by the Vice Principal Mrs. Ginu Anie Joseph delivered a talk on the necessity of taking vaccination for children and making sure all should take vaccination to prevent the life- threatening disease as they grow. Later on, the benefits of vaccinations were explained in detail by Asst.Prof. Salama Soren. Importance of giving breast milk and how to resist children from deadly diseases were educated.

Ms. Parbati Mardi explained the Immunisation Schedule with the help of various charts and posters. In addition, the advantage of the TT vaccine in pregnancy and its negative impact were summarised. The community people really impressed by her speech and they raised questions and they were satisfied with the clear explanation. At last, pamphlets were distributed and the time was given to ask the doubts. Finally doubts were cleared and they were happy with the event.

The event was ended with vote of thanks by Ms. Anuradha Soren. She gave the enthusiasm to get vaccines at the proper time. Also, assurance of conducting the upcoming event was given as the people demanded. Lastly, snacks were distributed.

We are thankful to the Ward member Mr. Shankawala Sardar, Our University Vice-Chancellor Dr. Sayed Safdar Razi, Dr. Angad Tiwari, Registrar Mr. Jasbir Dhanjal and the Dean of Health & Allied Science Dr. Jyotirmaya Sahoo, who guided us at every steps toward the victorious event.
