ABOUT COMPANY:

Effectual Services has been in the forefront of supporting clients with superior quality patent search solutions. They are a leading **Intellectual Property (IP) management advisory firm offering IP support solutions to Fortune 500 companies, law firms, research institutes and universities, and venture capital firms/PE firms.** Their team consists of technologists, scientists, lawyers, and paralegals coming from the top technical and legal institutes of India. They are at a place where quality is of paramount importance and each employee is encouraged to achieve a stellar performance

1) Their Business Approach

They are one of the leading intellectual property advisory firm. Intellectual property comprise of intangible assets such as patents, copyrights, trademarks, and designs. They assist clients by designing intellectual property solutions using out-of-the-box approach, solving critical problems, making informed decisions, and garnering enduring results. The work they perform is techno-legal in nature. The primary objective is to understand the inventions and make it comprehensive to the attorneys, thus enabling them to safeguard the inventions legally. With deep industry knowledge, superior IP expertise, innovative processes, and state-of-the-art technology, they assist the attorneys by understanding their invention and provide tailored solutions accordingly.

2) Opportunities at Effectual

At Effectual, they offer a high growth-oriented hierarchy that is designed to encourage professionals to move up the ladder purely through performance. While their work culture focuses on leadership, innovation, and teamwork, they provide various opportunities for individual growth and development. Their policies are aimed at nurturing the professional growth of employees by providing a stimulating work environment. To continuously develop and enhance knowledge and capabilities of their employees, they provide in-house trainings program to enhance and upgrade their knowledge in the IP. In addition to this, they attract, develop, and reward people who make significant contribution to the continued growth of their business.

They look out for talent that is eager to learn and has a flair to rapidly unlearn and learn new technologies. You will be working on a wide variety of technologies and getting in-depth knowledge of the latest IP trends.

3) Opportunities for Professionals

At Effectual, they clearly emphasize that our employees are our competitive advantage.

They offer professionals a work environment where their core values are demonstrated and rewarded on a consistent basis. Attraction and retention of talent is one of their primary goals. They offer opportunities to be challenged, grow, and develop professionally.

Each professional will get opportunities as mentioned below:

- **A chance to work with people from top technical institutes of India**
- **Interaction with foreign clients**
- **A chance to explore your potential in the rapidly growing IP space**
- **Overall grooming in your personality and training in corporate ethics**
