

Date of Event	28th May 2022
Name and Type of Event	Online Data Scientist Contest-I, Competition Event
Conducted by	Dr. Amit Prakash Sen and Dr. Anup Kumar
Number of Participants	76

The Resource person Dr. Amit Prakash Sen (Assistant Professor) and Dr. Anup Kumar (Assistant Professor) of School of Engineering, ARKA JAIN University, Jamshedpur.

The Event was very valuable for of B. Tech and Polytechnic students. By practicing Objective Questions and Answers an individual for competitive exams, entrance exams, and interviews. Questions have practical as well as theoretical approach and discussion in forum option is good for explanations so that one can understand them easily and conceptually. Practice daily for good results and to learn and master various Engineering subjects. Exam Preparation is that the students get ample chance to improve and prepare themselves better. It not only helps in building confidence but also enhances time management for the students. Online Test Series is the best way to analyse your strengths and weaknesses and prepare accordingly. Most importantly, this test series will help the students to get familiar with the concepts and test patterns and to enhance your performance and gain more confidence.

About the Event Co-Ordinator: -

Dr. Amit Prakash Sen received his B.tech degree in Electronics and Telecomm. Engg. from Biju Patnaik university of Technology, Rourkela and M.tech degree in Electronics and Communication Engineering from West Bengal University of Technology, Kolkata. He has received PhD degree in Image Processing from KIIT University, Bhubaneswar. He has nine years of teaching experience as an Asst. Professor and 3.5 years of research experience. Presently, he is working as an Asst. Professor in School of Engineering and IT, Arka Jain University, Jharkhand. His field of research is Image Processing, Deep Learning and VLSI. He has published a number of research papers in various refereed international journals and conferences.

Dr. Anup Kumar has completed his Doctorate of Philosophy in the field of solar energy from National Institute of Technology, Durgapur. He has 6 and 4 years of Research and teaching experience respectively. Presently, working as an assistant Professor in ARKA JAIN University, Jamshedpur.

Venue and Participants: -

The Event was conducted by Online mode. Total no of 106 participants registered from B.Tech, Polytechnic, BC and MCA. Total numbers of attendees were 76 out of which 66 secured more than 60%.

Glimpse of the event

Registration for Online Data Scientist Contest-I

The "Online Data Scientist Contest-I" is going to be organized by Dept. of Engineering, ARKA JAIN University on 28/05/2022 (Time 06:00 P.M – 7:00 P.M) for B. Tech/ Polytechnic/ BCA/MCA students.

Link for registration: <https://forms.gle/BV2hNqMxnrDUqDok6>

- No Registration Fee.
- Participants should participate the programme through online (Virtual Mode).
- The Link of "Online Data Scientist Contest" will be sent to registered e-mail provided at time of registration.
- The Participants should submit their Responses within provided time limits. Further, no such issue to be attain.
- E-Certificate will be provided to the participants scoring minimum of 60 percentage marks.

Last Date for Registration: 26.05.2022 (till 7:00.P.M)

Coordinators:

Dr. Amit Prakash Sen (amit.s@arkajainuniversity.ac.in), 87899599257

Dr. Anup Kumar (dr.anup@arkajainuniversity.ac.in), 8092223770

Feedback form

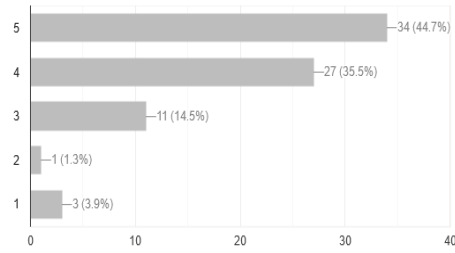

1. Does the Data Scientist Contest was relevant to present technology demands?

76 responses

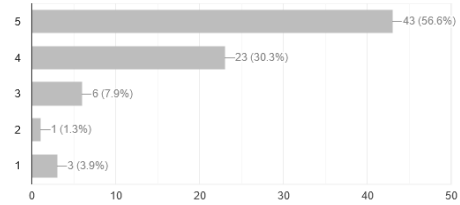

2. Does the Data Scientist Contest was upto the mark?

0 / 76 correct responses

3. Time allocated for Contest was sufficient.

0 / 76 correct responses

5. write your feedback in single sentence

76 responses

- Good
- No
- it was good
- Excellent
- Not bad
- Goo
- Contest was very good,questions were relevant and value giving.
- Was good
- Very good

5. write your feedback in single sentence

76 responses

- It was awesome experience in appearing the exam. Needed more exams like this
- It was a great alternative
- questions were pretty good . although I didn't knew about some topics .but I got more questions to research and learn again.
- Webinar is good and knowledgeable
- Webinar is good knowledgeable thankyou
- Good work
- It was good....!!!
- Satisfied
- Good
