

Report on: Visit to Village- Mohanpur

Held on: 11th November 2017

Date of Event	11 th November 2017
Name and Type of Event	Visit to Musari Kudar village for news reporting and news gathering
Conducted by	Department of Journalism and Mass Communication
No. of Participant	11

Department of Journalism and Mass Communication organised a visit to Musari Kudar village in Gamharia Block, Seraikela Kharsawan. The visit was organised to provide practical exposure to the students and to train them field reporting and news gathering.

During this visit the students did field reporting on the educational facilities provided to Musari Kudar villagers, and on other facilities such as hygiene, medical facilities etc.

This visit also aimed at training students to collect information from field. Through this visit students came to know that news gathering is one of the most important tasks to produce effective and complete news.

Taking effective interview is also an important part of news production as it is a source of information gathering, so keeping this in mind students were given an opportunity to interact with the people of Musari Kudar village. Interacting with villagers helped them to learn the art of taking effective interview in a professional manner.

Students learnt to collect information by taking interview of villagers. Through this visit students came to know about the value of information in news story that they collected through interview. Students also learnt to take proper decision which information is to be filtered and which information to be kept for the final news story.

Shreya Modi, a student of JMC department said ‘This visit is really an eye-opening visit for all the students because we learnt news gathering and news reporting technique practically. We are thankful to the department of Journalism and Mass Communication for organising this productive visit to the Musari Kudar village and giving us the exposure of field reporting and news gathering.’

This visit bridged the gap between theoretical knowledge and practical knowledge related to field news reporting and news gathering.

This visit was productive for all the students of journalism and mass communication department.
