Intra Moot Court Competition on Competition Law

The Moot Court Event was organised by Prof. Dr. Bodhisatva Acharya, Dean, School of Law and all the faculty members.

Objective:-

The Competition Act, 2002, as amended by the Competition (Amendment) Act, 2007 prohibits anti-competitive agreements, abuse of dominant position by enterprises and regulates combinations (acquisition, acquiring of control and M&A), which causes or likely to cause an appreciable adverse effect on competition within India.

The objectives of the Act are sought to be achieved through the Competition Commission of India, consisting of a chairperson and 6 Members appointed by the Central Government. It is the duty of the Commission to eliminate practices having adverse effect on competition, promote and sustain competition, protect the interests of consumers and ensure freedom of trade in the markets of India.

About the Moot:-

Competition Law is an upcoming area of law that seeks to promote fair and just trade practices. It regulates competition in the market by maintaining a check on anti-competitive conduct and ensures that market players refrain from the same. Competition Law has evolved on a national level with the promotion and maintenance of fair-trade practices in markets, within the domestic boundaries of a nation-state.

Law schools play an important role in inculcating and encouraging the growth of competition law, by organizing debates, panel discussions, moot court competitions and encouraging research and legal writing pertaining to this subject.
