**COMPANY PROFILE:**

Yokohama-OHT (YOHT) is the division of The Yokohama Rubber co. Ltd, Japan (YRC). This division is a collection of completely owned subsidiary companies of YRC that collectively manage the "Off-Highway Tires" business. YOHT has the end-to-end responsibility of designing, developing, manufacturing, marketing and selling these specialized tires. YOHT owns and conducts the business using its flagship brands of Alliance, Galaxy and Primex in close to 120 countries worldwide.

YOHT not only symbolizes a union of its flagship brands but also draws on the 100 years plus legacy of Yokohama while paving its own distinct path in the Off-Highway tire segment. The flagship brands offer a wide range of tires for agriculture, forestry, construction & industrial, material handling, mining & earthmoving, trucks and lawn & turf applications. Adding superior value to the lives of the customers across the globe.

With the support of Yokohama Group's global off-highway tire production, we have a network of 7\* plants in three countries and research and development facilities in Japan, India and the USA. Manufactured in the state of the art manufacturing plants, our tires undergo stringent checks to ensure that the best quality is delivered to our customers, every time.

The entrepreneurial spirit guided by the rich tire knowledge drives us in creating customized products for each requirement. This helps our customers get the maximum value without any compromise on quality. Be it bringing technological advancements or improving on our current offering, all our efforts are driven towards keeping our customers one step ahead. Making us a preferred brand of choice across the globe.
