**AARAMBH 2022 AN ORIENTATION AND INDUCTION PROGRAM BY  
SCHOOL OF PHARMACY**

### **About School**

ARKA JAIN University is promoted by Jain Group of Institutions (JGI), Bangalore. In February 2017 the University was established. In the year 2022 it is Ranked 5 among the top 15 Emerging University Category by Outlook ICARE Ranking. The work culture and education pattern makes the University special in comparison to its contemporaries. School of Pharmacy was established in 15<sup>th</sup> July 2019 with B. Pharmacy course. From 2020 the School is giving both B. Pharmacy and D. Pharmacy courses. With 31 faculty members, 12 active laboratories, one central instrumentation room, one machine room, one exclusive Pharma library apart from central library with large range of books and journals and smart class rooms the school promises to provide excellent education to the students. The School is committed to produce pharmacists for the 21st century.

### **About Induction Programme**

The objective of Induction Program is to help new students to adjust and feel comfortable with the new environment and to know about the culture of the institution. The diversifying thoughts of the student can be focused into one single point by the help of Induction Program and the candidate can be stable to realize the larger purpose. It helps to build the bonds with the students of former batch and faculty members. It helps to build a friendly environment with the students and teachers so that student can be comfortable to be

opened before the teacher with a positive aspect. Student can get opportunity to know the scope of the course on which he/she has taken admission from different resources and can develop his confidence towards the course in which he/she has taken admission. Ultimately, the student can develop a faith towards the institution and will be dedicated for its name and popularity. Information regarding regular classes, practical, timetable, uniforms, institutional policies, rules and regulations, academic and non-academic activities *etc* can be availed by the candidate in the Induction Program.

### **Objective**

The objective of the orientation programs are to create student's familiarity with the institution's regulations and academic standards, acquaint the students with their classmates and faculty members. To enjoy the joy of learning, withstand the peer pressure, decision making, understand the value of relationship, to realize the value of others emotion, to be sincere and woeful to the colleagues is rationale of Induction Program.

### **Welcome Phase**

The induction and orientation program being jointly organized by School of Pharmacy and Institute Industry Interaction Cell (IIIC) and MoU partners of ARKA JAIN University with eminent powerful resources from Industry and Academia. The weeklong event was energized the students with powerful speaks by dynamic resources.

### **Approval for AARAMBH-2022 Orientation & Induction from Honorable Vice Chancellor and Director of ARKA JAIN University**

**VANDE MATARAM**

## CONCLUSION

Honourable Director of ARKA JAIN University said that Ordinary people can do extraordinary things that can change the course of history. He also added in his valuable speech that students should be honest and dedicated towards their study. Everybody needs to take a decision first and then by dedication and effort one can make the decision right. Inspiring the students to be an honest citizen of this great country, finally he ended his speech with a good wish for their successful career ahead. Miss Bidisha and Miss Srishti hosted the entire event and Mr. Sumanta Sen offered Vote Of Thanks. Entire six days programme remained grand success by the cooperation of students, parents and faculty members. We believe the value of students and the responsibility of a teacher for the building of career of a student.

## OUTCOMES

Students realized that by choosing the School of Pharmacy for their career building they have taken a right decision. They also able to cleared their vision about what lies ahead and what can be achieved at the end of their courses and how to make their career successful.
