OBJECTIVE: To witness and understand the nature of various medicinal plants discussed in theory and practical courses.

DETAILS: The students of Pharmacy visited the Medicinal Garden, Institute of Labour Studies at Kadma, Jamshedpur on 17th October 2022. Students with the horticulture expert Dr. Manav Kumar Plaza and Class coordinator Miss Ankita Moharana left for the medicinal garden visit at 11:00 AM from campus with University transport system. They learned about the taxonomy of the medicinal plants. Dr. Plaza explained about the genus and family of different medicinal plants and their therapeutic properties. He also explained about the source of the plant and the active constituents available with the plant which is exactly responsible for the therapeutic activity. He also said how the mimicking of the active principles is synthetically done to avoid the crisis. Students instructed to submit a report about the experience of visit. After an hour of visit students came back to campus.

TAKEAWAY (OUTCOMES): Students were able to identify the medicinal plants from their morphological and organoleptic characteristics and also knew the pharmacological activity of the plants.
