**Semester/Year: 3<sup>rd</sup> semester/ 2<sup>nd</sup> year**

### **DAY 1 (19<sup>th</sup> September 2022)**

A visit to industry named SCHOTT POONAWALA pvt. ltd Vapi Valsad Gujrat . That was the first and very exciting for me . there were so my machines regulated by men and robots both. Watching those machines working was mesmerizing moment for me. These collectively filled with lots of knowledge which we only had in our textbooks. For me visiting to industry was warehouse of knowledge, and vice president of Schott Poonawala Mr. Debasis Panda sir was much cooled mind type for person. Who personally with their staff conducted a doubt clearing session which helped us to clear our doubts regarding the industry? Was accompanied with the most supporting staffs and employees from the industry. Enthusiastic!

On the same day we visited to the lord Shree Jagannath Temple situated in some distance from industry. And that was the peaceful moment for me. The best part of the day was the visit to the temple, the entrance of the temple filled me with joy, the walls filled me with positivity and the queue taught me the aesthetics of Hinduism.

After that spent evening with high tides of Daman beach. This was the very relaxing moment after the full working day.

At night we witnessed the musical night organized in the hotel. Enjoyed food and music with friends with full enthusiasm.

### **DAY 2 (20<sup>th</sup> September 2022)**

A day started with tasty breakfast. And then early morning went to Surat. In Surat visited to Jagdish Chandra Bose Municipal Aquarium. Visiting aquarium and observing colorful fishes was indeed a treat for our eyes.

Again we visited to Amba ji Temple Surat and gain blessings from maa durga. And pray for everyone.

Then the most awaited time for girls had arrived, that is shopping. In surat there was a market of textiles Named Bombay Market. We bought lots of cloths for family and friends and that moment was satisfactory.

### **DAY 3 (21<sup>st</sup> September 2022)**

Visited to Mumbai- the city of dreams. The aura of the city was fully captivating. The lights, the huge buildings, and the sea everything was just awesome. In Mumbai firstly we visited to HAJI ALI DARGAH SHAREEF. Situated in the middle of Arabian sea. The scenery was peaceful there.

**DAY 4 (22<sup>nd</sup> September 2022)**

Starting with JUHU chaupati. We started our day. Afterwards visited to gateway of India along with taj hotel which was truly captivating moment.

It was a great journey and great experience for me.

**Opinion:** An amazing experience, the local sight-seeing and the informative industry visit, looking forward for such opportunities. Thank you!
