Report on “A...B...C.. Of Pediatric Vision”

Held on 26.08.2022

Date of Event	26/08/2022
Name and Type of Event	Academic event- A...B...C... of Pediatric Vision [Skill development/Entrepreneurship/Employability]
Moderated by	Mr Sarbojeet Goswami
No. Of Participants	32

Objective: The session was conducted to observe August as the month of Child eye health and safety.

Detail of the event: August is considered to be the month dedicated to Pediatric eye health, and the session was named A..B..c.. of Pediatric vision as the speaker, Mr Ritesh Kumar, elaborated on how to approach a pediatric patient and special considerations.

Speakers' profile: *Mr Ritesh Kumar* is a consultant optometrist at C L Gupta Eye Institute and a faculty at C L Gupta College of Optometry. He completed his under graduation from NSHM Knowledge Campus and Masters from Chitkara University. He has various publications and has a keen interest in research.

Details about the event: On 26th August, on the virtual platform of google meet, students from 2nd year and 3rd year, current internship students and a few students from other universities also joined in to listen to Mr Ritesh Kumar, speaking about all the nits and bits of Pediatric vision taking.

Outcome: Mr Sarbojeet concluded the session with the vote of thanks and appreciating the efforts of the speaker. The take home message of the session was to consider the age group of the child and act accordingly. Test charts and history recording should be done as per the age of the child and what precautions need to be taken in atypical cases.
