<b>Objective</b>	To promote scientific aptitude, enable student's activities towards learning of advancement in area of Bioscience and novel technology. To Enhance creativity and team work

### **Details of the Event**

The national council for science and technology communication (NCSTC) had requested the government of India to announce February 28 as the National Science day in the year 1986. Ever since this decision, we Indians observe this day to commemorate the discovery of the 'Raman Effect' by one of the renowned Physicist of India- Sir CV Raman.

Therefore like every Year this time also on 27th and 28th February 2023, Arka Jain University, Gamharia, Jamshedpur Jharkhand observed the National science day by organizing a two-day event in its campus. It was arranged by Department of Biotechnology, school of Health and Allied science. The theme for the event was "Bioscience and technology for global wellness" The first day of the event was hosted by Kashfin Qamar and Naima Shafi, students of department of biotechnology. It was graced by our keynote speakers Mr.Rajesh Singla, Principal of SD College who enlightened the students and the faculty members on biotechnology And Biopharma careers in this advanced era. After that our another speaker Dr. Shikha kalra, patent consultant at Abu Ghazaleh Intellectual property who shared a varied information regarding patent consultant, Biotech specific ideas and innovations and Intellectual property rights virtually through google meet. After this there was series of competition related to Science Day were organized for the students of Arka Jain University related to theme.

Students had participated in various competitions like speech delivery, poster presentation and science model presentation and Quiz. The event was started by lamp lightning ceremony by the Dean of School of Health and Allied sciences and the

head of different departments. The dean of School of Health and Allied sciences Dr. Jyotirmaya Sahoo Sir addressed and acknowledged the efforts of the students and faculty members in organizing this function. Students showcased their talents through the various organized competitions.

The event was concluded by Vote of thanks from Kashfin qamer, 3 rd year, B.Sc. Biotechnology. This occasion was a success as it proved to be extremely informative, interesting and significant.

The second day of the event advanced on to be even more enthralling than the first one. It was graced by our chief guest Mr. Tapas sahuo (CEO of Highco engineers pvt. Ltd), guest of honours Mrs. Kabita Agarwal (Principal Director, Mount litera zee school Jamshedpur), Mr. John Paul (CEO of ACCESS) And Mr. Sandeep Rao (Director of ACCESS). Honourable Vice chancellor Dr. S.S Razi, Head of different departments. The event was hosted by Naima Shafi and Sana Afreen, students of department of biotechnology. It was started by the traditional lamp lightning ceremony. Honourable Vice chancellor addressed the beautiful audience and welcomed the guests gathered in the university auditorium. Our chief guest Mr. Tapas Sahoo interacted with the audience. He motivated our students and said failures are keys to achieve success, just be Positive and consistent in putting efforts towards goal The value of attitude, Positivity, discipline and efforts towards gain of Knowledge rather marks and certificates will be rewarded in future .The lady of the event, our guest of honour, Mrs. Kabita Agarwal also notified the gathering with her words of Wisdom and conveyed to the students the value of determination and discipline.

Mr. John Paul, CEO of ACCESS pvt. Ltd. also connected with the audience and informed about how his company readily helps candidates who are interested in completing their studies and in the USA. He was accompanied by Director of the company, Mr. Sandeep Roy.

All the guests were facilitated with the momentos /Shawls by the honourable vice chancellor Dr. S. S. Razi.

The Judges team from all back grounds of Science was asked to Judge the competition. The results of the competitions conducted in the first day of the event were declared.

In poster presentation, Akash Deep (B Pharma, final year) emerged as the winner. Riya kunkal and Aastha pandey (B.Sc. biotechnology, 2 nd year) got the second position while Darshan kumar and Shruti Verma got the third position. They were given certificates by Mr. Tapas Sahoo.

In speech delivery, Naima Shafi (B.sc biotechnology, 2nd year) bagged the first position while Sana Afreen (B.sc biotechnology, 2nd year) and Shikha Sejal of B, optometry, 3 rd year took the second and third positions respectively. Mrs. Kabita Agarwal awarded the winners.

Kanupriya and Mini (B.Sc. biotechnology, 1 st year) got the first position in the science model presentation. The second position went to Riya Kunkal, Aastha Pandey and Harsh Raj (B.Sc.biotechnology, 2nd year) and the third was won by Darshan kumar, Sana Afreen and Shruti Verma of B.Sc biotechnology, 2 nd year). The winners were awarded by Mrs. Kabita Agarwal.

The event was concluded with the vote of thanks proposed by Sana Afreen (B.Sc biotechnology, 2 nd year). This happening was verified to be a grandiose event. . There was a quiz competition for all participants and gift was given to the students who gave the correct answer.

Students got to know the values of skills and positive attitude by Listening to an experienced industrialist and Chairman of Industries in Jharkhand. Interaction With John Paul for career abroad was also highly appreciated. Lessons from Kabita Agarwal to explain true value was also required to be inculcated in students.

Productivity is never an accident. It is always the result of commitment, intelligent planning and focused effort. It was meticulously planned and documented from the start to the end by Dr. Jyoti Khurana with support of Dr. Santosh Kumar Singh (Head), HODs Santosh Kumar Singh appreciated faculty members, guests, invitees, well-wishers and students for their active participation in this event.

### **Outcome**
