Report on– A DAY FOR BIRDS II (WORLD SPARROW DAY)
Held on – 20/03/2023

Date of Event	20.03.2023
Name of the Event	A DAY FOR BIRDS II (WORLD SPARROW DAY)
Type of the Event	Life skill Development Program/Environment and Sustainability
Conducted by	BHESAJAM the Pharma Club of School of Pharmacy
No. Of Participant	70

OBJECTIVE: To make aware about the role of birds for the protection of environment among the people birds day is essential to celebrate and that is for the protection of birds so that the environment and so the globe.

DETAILS: Every year 20th March is celebrated as word Sparrow Day. This year on 20th March 2023 BHESAJAM the Pharma Club of School of Pharmacy celebrated the event A Day for Birds II to commemorate World Sparrow Day. Sparrow is a small and rare bird now a days due to their less survival for global warming. Mostly birds are more or less, directly or indirectly responsible for the protection of environment by creating forest. Sparrow plays an important role in environmental balance. Sparrows feed their children with insects called alpha and cat-worm. These insects are extremely dangerous for crops. They kill the leaves of crops and destroy them. On this special occasion let us take a step forward to conserve the indicators of our environment by keeping water pots all around to conserve the birds from dying during the hot summer because if they are in trouble, we know that we will be soon in trouble. All the present students and faculty members of the different departments of the University commemorate this day by taking an oath for the conservation of birds. All participants with a water filled pitcher placed in different locations for the birds. Dr. S. S. Razi the Vice Chancellor of the University witnessed and appreciated the event and blessed the gathering for the honest effort. Event was coordinated by Asutosha Parida, Priyabati Choudhury, Alok Kumar Moharana, Pratikshya Sarangi and conceptualized by Dr. Jyotirmaya Sahoo.

OUTCOMES: By celebrating “A Day for Birds” we can aware our society how the birds are helpful for our environment and how it is our responsibility to protect them before an unusual death and also to recognize the birds for their contribution towards environment.
