**Report on – World Optometry Day**  
**Held on 23.03.2023**

<b>Date of Event</b>	23.03.2023
<b>Name of the Event</b>	World Optometry Day 2023- Expanding Optometry's role- The time is now
<b>Type of the Event</b>	Skill & Professional Development Program
<b>Conducted by</b>	B.Optomety
<b>No. of Participant</b>	19

**OBJECTIVE:**

The objective of the session was to celebrate the profession where young optometrists will be empowered and motivated to up-skill themselves for the community. The budding optometrists were explained about the ocean of opportunities that open up after their bachelor's degree courses and were also asked to aware their kin about vision-threatening conditions.

**ABOUT THE EVENT:**

Mr. Varun Pratap (Area Sales Manager) Mr. Chetnanand Prasad (Cluster Optometrist) and Mr. Abhishek Kumar (Cluster Optometrist) from Lenskart were present at the event and addressed the dilemma of students about what options they have after their bachelor degrees. They delivered their respective talks on the burden of avoidable blindness in society and the vital role optometrists plays in the same.

**TAKEAWAY (OUTCOME):**

Students were enthralled by the presence of people in such high positions. They were motivated to do well in their curriculum and serve the community as their primary duty. Since healthcare is not accessible to all, students were encouraged to be part of outreach activities and community work.
