COMPANY PROFILE:

Codeyoung Started by two passionate and visionary IIT graduates, with the vision to make every kid in the world to be problem solvers, creative leaders, and innovators for the future. Our aim is to channel and give purpose to the inquisitive and creative young minds by helping them discover and understand technology in the most organic manner while also being active contributors in developing technology rather than just being passive consumers. They offer coding courses to kids from Class 1st - Class 10th. Each module has a tangible project and the child is always actively “building” rather than passively learning. They want every kid in the world to code! Codeyoung is a platform where kids can let their imaginations run wild. Students are taught to be creative, innovative and use coding in the most unusual way possible.
