BCA / B.Tech (CS) with Data Analytics (From IoA, UK)

BCA/B.Tech (CS) with Data Analytics integrated is a highly specialized international Data Analytics program endorsed by the Institute of Analytics (IoA), UK and is open to all the students belonging from BCA. The Graduates can apply for IoA Affiliate Membership after the Successful completion. The Institute of Analytics (IoA) is the Professional Body for Analytics and Data Science professionals in UK and International. The Institute of Analytics provides members with the opportunity to network with other professionals in the industry, to learn about career development opportunities, to share knowledge and expertise, to access Continuous Professional Development programs and to carry the official designation of membership.

- Analytics is the new buzzword for any business. The world is overflowing with data and anyone who can harness this data to benefit enterprises is highly sought after.
- There is a huge shortfall of trained analytics professionals in India and abroad
- Demand for analytics is at an all-time-high. An estimated 2.7 million job-postings for Data Analytics and Science are projected in the United States by 2020.
- Multi Industry/domain opportunities give a chance to select from a variety of industries that match students' interests.
- competitive average salary, higher than that of any other IT domain.

Why IoA?

Here are just some of the reasons why you should choose IoA as your path to becoming a qualified analyst.

- Use of official designation of the institute
- Global Recognition
- Invitations to all our networking events
- Access to Continuous Professional Development programmes and online portal
- Invitations to regular Industry briefings where industry experts share their insights, knowledge & experience
- Access to job opportunities page
- Invitations to Annual & Regional Conferences
