Department of Computer Science & Information Technology

<u>Circular</u>

<u>**Ref. No.: AJU/CS&IT/034/2022-23**</u>   **Date: 17.12.2022**

Dear Students,
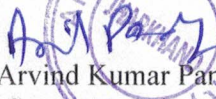

This is to inform the students that in BCA you have to select ONE Specialization from the given below list.

- **Data Science**
- **Internet of Things**
- **Artificial Intelligence**

The Registration link for selecting any **ONE Specialization** is given below:

<u>https://forms.gle/KXs76orWepCeHxKKA</u>

There are only LIMITED SEATS in each specialization. The selection process for the specialization will be based on the First Come First Serve basis. For example, if first 60 students opt for Data Science then the rest of the 60 candidates will get IOT as a specialization. The vice-versa is also true. So, do fill up the Specialization from at the earliest.

Dr. Arvind Kumar Pandey
Head, Computer Science & IT
