CIRCULAR

Ref. No. AJU/SOAHNS/067/23

Date: 10-04-2023

This is to inform you that, the Department of Biotechnology, School of Health and Allied Science, ARKA Jain University in association with IQAC, AJU| is going to celebrate “World Earth Day 2023” on the 6th May 2023.

All respected Dean and Heads are requested to share this with students of the respective department.

Dr. Santosh Kumar Singh
Program Coordinator
Department of Biotechnology,
School of Health and Allied Science
ARKA JAIN University, Jharkhand

World Earth Day

Date of Event	6th May 2023
Name and Type of Event	World Earth Day- Academic-Skill Development
Conducted by	Dr. Pratima Srivastava, Dr. Santosh Singh, in association with IQAC
No. Of Participant	students

Objective

With the UNO theme for World Earth Day 2023 is "Invest in our planet" the objective of this event was to promote recycling efforts around the world and focused on global warming and an emphasis on clean energy. Create awareness among the student minimum use of plastic and tree plantation to save environment from pollution.

Details of the event

There are many problems like pollution, global warming, and degradation of river water quality which are unfavourable for life on earth. Now is the time to find a solution and work to protect our earth. Every year we celebrate Earth Day on 22nd April to create awareness and reduce environmental problems. The UNO theme for World Earth Day 2023 is "Invest in our planet".

Department of Biotechnology and IQAC, Arka Jain University, observed "World Earth Day 23". Dr. Amit Ranjan Chakraborty (Chief Environment Management, TATA Steel) as Chief Guest gave students the insight about the importance of Environment Protection and various measures we can take in this regard. Mr. Pankaj Upadhyay from Swacchta Pukare shared a video showing, how they are using Water Hyacinth plants to make various sustainable products. The event was graced by the presence of Vice Chancellor Dr. S.S. Razi, Registrar Mr. Jasbir Singh Dhanjal, Dean of Health and Allied Science Dr. Jyitrmaya Sahoo, Head of Department of Biotechnology Dr. Santosh Kumar Singh. The event was successfully coordinated by Dr. Pratima Srivastava (Assistant Professor, Department of Biotechnology)

Outcome of the Event:

Students understand their responsibility to save the earth with avoiding the use of Plastic and took a pledge not to use plastic. Students were encouraged for keeping water pots to protect birds and animals during the summer season. Dr. Amit Ranjan Chakraborty explained that by change in life style, we can reduce pollution and save the environment.
