NOTICE

Ref No: AJU/SCoM/DoC/2023/287

Date: 08.07.2023

This is to inform all the students of B.COM (H) that Tata Steel has organised an amazing session by Dr. Pawan Agrawal of Mumbai Dabbawallas on July 12, 2023 from 5:00 pm onwards.

This would provide valuable insights into such concepts as six sigma which is at the centre of functioning of the Mumbai Dabbawallas. They are part of various case studies across the globe. It is mandatory for students to attend in order to understand the outstanding supply chain that these dabbawallas have put into action. Poster of the session is attached.

It is a great opportunity so do not miss it at any cost.

Since it is on webex, you are advised to download it well in advance so that last minute problems do not occur.

We shall be taking pics of the session and therefore student attendance will be recorded.
