PARYAVARAN SANRAKHAN GATIVIDHI
"CARE THE NATURE" (Awareness towards climate control)
2023

Date of Event	10th August 2023
Name of the Event	PARYAVARAN SANRAKHAN GATIVIDHI "CARE THE NATURE" (Awareness towards climate control) 2023
Type of the Event	Life Skill Development and Environment Sustainability
Conducted by	School of Pharmacy
No. of Participants	54

OBJECTIVE:

Environment and Sustainability (Seeding for building Forest), an awareness program towards climate control play a major role to engage students in hands-on environmental conservation efforts, to create awareness among villagers about the importance of climate control and sustainable practices and to foster a sense of responsibility towards the environment among students and villagers alike.

DETAILS:

BHESAJAM, The Pharma club of School of Pharmacy, in association with NCC & NSS Arka Jain University, organized **"CARE THE NATURE"** Environment and Sustainability (SEEDING FOR CREATING FOREST), an awareness program towards climate control in the village adopted by the University - Musri kudar.

On **10th of August, 2023** a group of Pharmacy enthusiastic students ventured to the nearby village of Musri kudar to participate in a seed planting initiative. The activity aimed not only to contribute positively to the environment but also to educate the local community about sustainable practices and their role in climate control. The students were divided into teams and briefed about the significance of the initiative and the importance of planting native tree seeds like Postal palm tree, Bottle palm and Mango seeds in the area nearby. Each team was equipped with seeds, gardening tools, and materials needed for the activity. Upon reaching, the students

were warmly welcomed by the villagers and local authorities. A brief interactive session was conducted to share insights about climate change, its impact on the environment, and the role of planting trees in mitigating its effects. This session aimed to raise awareness and encourage community participation in the initiative.

Following the session, students and villagers worked together to prepare the ground and plant a variety of native tree seeds. The collaborative effort fostered a sense of unity and shared responsibility for the environment. It also provided an opportunity for cultural exchange between the students and the villagers. The successful coordination of students as well as Dr. Manav Kumar Paza, Ms. Purnima, Mr. Ashutosh, Mr. Pradeep and Mr. Barun brought the event to a memorable conclusion.

OUTCOMES:

The activity of seed planting in the nearby village served as a remarkable example to students commitment to environmental sustainability and climate control. Through practical action and awareness sharing, the initiative not only enriched the environment but also instilled a sense of responsibility and empathy among the participants. The University's NSS unit remains dedicated to organizing such impactful activities that contribute to the well-being of both local communities and the planet at large.
