The programme commenced with Lightning of the Lamp followed by welcome speech by Dr.Angad Tiwari, DSW and Campus Director. Saplings were offered to all the dignitaries.

Chief Guest Mr. Vijay Kumar emphasized that there are many cases in which school going children are addicted to different types of tobacco. It is very important to make this kind of awareness program to save our future generation from the ill effects of tobacco. He also explained that every year 8 million people around the world lose their life due to tobacco consumption. The mission of awareness is significant one. Senior Clinical Oncologist Dr. Amit Kumar explained that smoking one cigarette reduces 14 minutes of life. Youth start using tobacco for fun and later on indulge into this activity and bring their family into financial crisis. Some of them loose their life to

diseases like lung cancer and oral cancer. He also emphasized to aware farmers to grow food and not tobacco.

To spread awareness about the adverse effects of the tobacco, the students from School of Nursing performed street role play. All the students and audience took oath that they will never use tobacco and also aware the people around.

Lastly, Vote of Thanks was given by Ms. Nimola Ekka, Nursing Tutor followed by National Anthem.

The event was conducted with energetic zeal. Overall the program was a great success under the guidance of Vice Chancellor and under the surveillance of Prof. Mrs. Ginu Anie Joseph, Principal, School of Nursing. Dr. Santosh Kumar Singh, HOD Biotechnology department and Ms. Archita coordinated the program, School of Law.

TAKEAWAY (OUTCOMES):

1. Audience were able to achieve knowledge regarding adverse effects of consuming tobacco.
2. Oath ceremony for not consuming tobacco will create huge effect on the students.
3. Students understood that by imparting knowledge to farmers and educating the farmers about cultivating the food crops and not the tobacco will also solve the problem to great extent.
