OBJECTIVE: The core objective of EAD is to equip aspiring entrepreneurs with the essential skills and knowledge needed to navigate the entrepreneurial landscape successfully. By bringing together experts, industry leaders, and students, the drive aims to expose participants to diverse business models, start-ups, and valuable resources that serve as foundational elements in their entrepreneurial journeys.

DETAILS: In the dynamic landscape of the Indian economy, the shift towards entrepreneurship as a driving force for economic growth has gained significant momentum. Recognizing this trend, the Entrepreneurship Cell of IIT Kharagpur initiated the Entrepreneurship Awareness Drive (EAD) with the primary goal of transforming students into future entrepreneurs rather than mere job seekers. EAD 2021, the most recent edition, witnessed remarkable success, covering over 25 cities and engaging more than 25,000 college students nationwide.

On October 19, 2022, ARKA JAIN University in Jharkhand collaborated with IIT Kharagpur to host EAD'2022, a collaborative effort to promote entrepreneurship. The event, coordinated by the School of Commerce and Management, unfolded in the prestigious Rajendra Vidyalaya Auditorium, drawing participants not only from Arka Jain University but also from over 600 students representing various colleges in and around Jamshedpur. EAD'2022 featured distinguished speakers who shared their insights and experiences, providing valuable perspectives on entrepreneurship. Mr. Abhirup Banerjee, Founder of Grip Consultant and International Keynote Speaker, enlightened participants with his

journey and expertise. Mr. Vineet Patawari, Co-Founder & CEO of StockEdge & Elearnmarkets, and Mr. Rishav Sadhu, Co-Founder & CTO of Webingo Infotech Solutions LLP, offered invaluable insights into their entrepreneurial ventures.

Throughout the event, students were exposed to various facets of entrepreneurship, including innovative business models, the intricacies of successful startups, and the practical utilization of available resources. The informative sessions aimed to inspire and equip the attendees with the skills and mind-set necessary for embarking on their entrepreneurial endeavors.

The event concluded with an interactive session where students had the opportunity to engage directly with the speakers. This segment facilitated a dynamic exchange of ideas, allowing students to seek advice, clarify doubts, and gain deeper insights into the entrepreneurial world. The experts, with their diverse backgrounds, addressed queries and shared practical tips, enriching the learning experience for all participants.

The success of EAD'2022 sets a precedent for future editions, emphasizing the need for continued efforts to cultivate an entrepreneurial mindset among students. The collaboration between ARKA JAIN University and IIT Kharagpur exemplifies the collective commitment towards nurturing a generation of innovative thinkers and doers who will contribute to India's position as an entrepreneurial powerhouse. The impact of such initiatives extends beyond the event, as participants carry forward the knowledge and inspiration gained, actively shaping the future of India's entrepreneurial landscape.

Outcomes: EAD'2022 has not only sparked enthusiasm for entrepreneurship but has also sown the seeds for a future generation of innovative and resilient entrepreneurs. The outcomes reflect the event's effectiveness in promoting entrepreneurship as a viable and rewarding career path, aligning with India's ambitious goals for economic growth and job creation.
