

CIRCULAR

Ref. No. AJU/AD/ENGG/094/2022-23

Date: 16/03/23

The Department of Engineering, ARKA JAIN University is going to organize A Short Term Certificate Course on "Methods & Technique of Qualitative Research" from 10/04/2023 to 14/04/2023 for B.Tech/BCA/MCA students.

Link for registration: <https://forms.gle/6Fm1vzVW8sMGtSS7g7>

Mode of learning: Hybrid Mode

Registration fee: Nil

Max no. of Participants: 30

Last Date for Registration: 08.04.2023 (till 7:00.P.M)

Coordinators:

Dr. Amit Prakash Sen (dr.amit@arkajainuniversity.ac.in), 87899599257

Dr. Anup Kumar (dr.anup@arkajainuniversity.ac.in), 8092223770

Prof. Ashwini Kumar
Asst. Dean
School of Engineering & IT
ARKA JAIN University, Jharkhand

Asst. Dean
School of Engineering & IT
ARKA JAIN University

“SHORT TERM CERTIFICATE COURSE ON METHODS & TECHNIQUE OF QUALITATIVE RESEARCH”

Date of Event	10/04/2023 - 14/04/2023
Name of the Event	Short term certificate course on Methods & Technique of Qualitative Research
Type of the Event	Skill Development
Conducted by	Jointly by Department of Mechanical Engineering & Department of Electrical & Electronics Engineering
Resource Persons	Dr. Atul Prakash, Asst. Professor, Department of Electronics and Communication Engineering, G H Rasoni College of Engineering and Management, Wagholi, Pune. (atul.prakash@raisoni.net)
	Dr. Tuhinansu Pradhan, Asst. Professor, Department of Computer Science & IOT, SOA University, Bhubaneswar (tuhinansupartha@gmail.com)
	Dr. Shweta, Asst. Professor, Department of health & Allied Science, ARKA JAIN University, Jamshedpur, Jharkhand (dr.shweta@arkajainuniversity.ac.in)
	Dr. Chandra Prabha Sahu, Asst. Professor, Department of Engineering, ARKA JAIN University, Jamshedpur, Jharkhand (dr.chandra@arkajainuniversity.ac.in)
Co-Ordinator	Dr. Amit Prakash Sen, Asst. Professor, Department of Electrical and Electronics Engineering, ARKA JAIN University, Jamshedpur, Jharkhand (dr.amit@arkajainuniversity.ac.in)
	Dr. Anup Kumar, Asst. Professor, Department of Mechanical Engineering, ARKA JAIN University, Jamshedpur, Jharkhand (dr.anup@arkajainuniversity.ac.in)
No. Of Participants	92

OBJECTIVE

- Have a thorough knowledge of the literature and a comprehensive understanding of scientific methods and techniques applicable to their own research.
- Be able to demonstrate originality in the application of knowledge, together with a practical understanding of how research and enquiry are used to create and interpret knowledge in their field.
- Have developed the ability to critically evaluate current research and research techniques and methodologies.
- Have self-direction and originality in tackling and solving problems.
- Be able to act autonomously in the planning and implementation of research.
- Have gained oral presentation and scientific writing skills.
- The opportunity to expand the student's knowledge of their research area, including its theoretical foundations and the specific techniques used to study it.

DETAILS:

The School of Engineering & IT, Ark Jain University organized five-day Short-Term Certificate Course on “Methods & Technique of Qualitative Research” from 10th -14th April 2023. The course was aimed at providing participants with an introduction to the theoretical and practical aspects of qualitative research methods.

The course was attended by 92 participants, including students, researchers, and professionals from various fields. The course was conducted by Dr. Amit Prakash Sen & Dr. Anup Kumar, a renowned researcher in the field of qualitative research methods. Dr. Amit Prakash Sen & Dr. Anup Kumar has published numerous research papers and books on qualitative research methods and has conducted several workshops and training programs on the same.

The course was structured into ten sessions spread over five days. In the 1st day, first session, Dr. Chandra Prabha Sahu introduced the participants to the basics of qualitative research methods, including its definition, features, and types. The second session conducted by Dr. Amit Prakash Sen covered the various stages of qualitative research, such as data collection, analysis, and interpretation. The participants were encouraged to ask questions and share their experiences during the session.

The 2nd day, Dr. Anup Kumar focused on the techniques of data collection in qualitative research. He explained the different methods of data collection, such as interviews, focus groups, observation, and document analysis. The participants were given practical exercises to try out these methods. Dr. Amit Prakash Sen also shared his knowledge for writing research papers. He displayed tools such as LATEX for research reporting.

In the 3rd day, Dr. Atul Prakash discussed the techniques of data analysis in qualitative research. The session covered the different methods of data analysis, including content analysis, grounded theory, and thematic analysis. The participants were given examples of research studies and were asked to apply the different methods of data analysis to these studies. Dr. Chandra Prabha Sahu discussed on different styles of referencing and citation. She also displayed the application of Mandley.

The 4th day focus was on the ethical considerations in qualitative research. Dr. Shweta & Dr. Tuhinansu Pradhan focused their lecture on the various ethical issues that researchers need to consider while conducting qualitative research. The participants were also given guidelines on obtaining informed consent, ensuring confidentiality and anonymity, and managing conflicts of interest. Dr. Tuhinanshu Pradhan also displayed the use of software such as VISIO, ORIGIN as a tool for data representation.

The final day was conducted by Dr. Atul Prakash. Recent trends in research was discussed. He also stressed on the implementation of multi-domain research. The last session was feedback and evaluation session.

Overall, the Short-Term Certificate Course on Methods & Technique of Qualitative Research was a great success. The participants gained valuable insights into the theoretical and practical aspects of qualitative research methods. The course was highly interactive, and the participants were actively engaged in discussions and practical exercises. The course ended with a certificate distribution ceremony, where the participants were awarded certificates of completion. The feedback from the participants was overwhelmingly positive, and they expressed their desire for more such courses in the future.

OUTCOMES:

- Understand the research problem and research process.
- Understand research ethics.
- Prepare a well-structured research paper and scientific presentations
- Understand significance, effective technical writing and report.
- Understand the techniques of interpretation, and making scientific presentation.
