## PLANTATION DRIVE IN ASSOCIATION WITH IIC AT MOHANPUR VILLAGE IN GAMHARIA TO MARK WORLD ENVIRONMENT DAY

<b>Date of Event</b>	<b>05th June 2023</b>
<b>Name and Type of Event</b>	<b>Plantation Drive in Association with IIC at Mohanpur Village in Gamharia to mark World Environment Day, Outreach programme</b>
<b>Conducted by</b>	<b>School of Engineering &amp; IT, AJU</b>
<b>No. of Participants</b>	<b>30</b>

### Objective

**Raising Awareness:** The program aimed to educate the students and local community about the crucial role trees play in maintaining a healthy environment and combating climate change.

**Enhancing Biodiversity:** By planting a diverse range of native tree species, the event sought to promote biodiversity conservation and provide a habitat for local flora and fauna.

**Addressing Deforestation:** The program aimed to combat deforestation by encouraging active participation from faculties, students, and community members in tree plantation drives and promoting a sense of responsibility towards preserving the environment.

### Description

On 5th June 2023, Mohanpur Village in Gamharia witnessed a remarkable event in association with the Institution's Innovation Council (IIC) to commemorate World Environment Day. The School of Engineering & IT, in collaboration with the IIC and the local community, organized a tree plantation program. Faculties from the School of Engineering and students played a vital role in making the event a success. Under the coordination of Dr. Chandraprabha Sahu, Dr. Anup Kumar, and Dr. Amit Prakash Sen, the program aimed to foster a sustainable and greener future.

### Outcomes

1. Increased awareness about the importance of tree plantation and environmental conservation among the faculties, students, and community members.
2. Positive environmental impact through the planting of numerous trees, improving air quality and enhancing biodiversity.

3. Community engagement and a sense of responsibility towards preserving the environment.
4. Knowledge sharing and education on sustainable practices and tree care techniques.
5. Inspiration for participants to become environmental stewards and embrace eco-friendly habits.
6. A foundation for future initiatives, including workshops, awareness campaigns, and a tree adoption program, ensuring long-term commitment to environmental sustainability.
