**OBJECTIVE:** The primary objective of the Universal Human Values Quiz Competition, held on 10th November 2022, was to raise awareness among students about universal human values. The event aimed to engage participants in a quiz format, focusing on the concept of human values and their significance in shaping individual behavior and societal norms.

### **DETAILS:**

The Department of Computer Science & Information Technology at ARKA JAIN University organized a Quiz on Universal Human Values, coordinated by Ms. Divya Paikaray and Dr. Arvind Kumar Pandey, Head of the CS & IT department.

In this Quiz, the questions were provided to the students in Multiple Choice Questions format which was based on the concept of Universal Human Values.

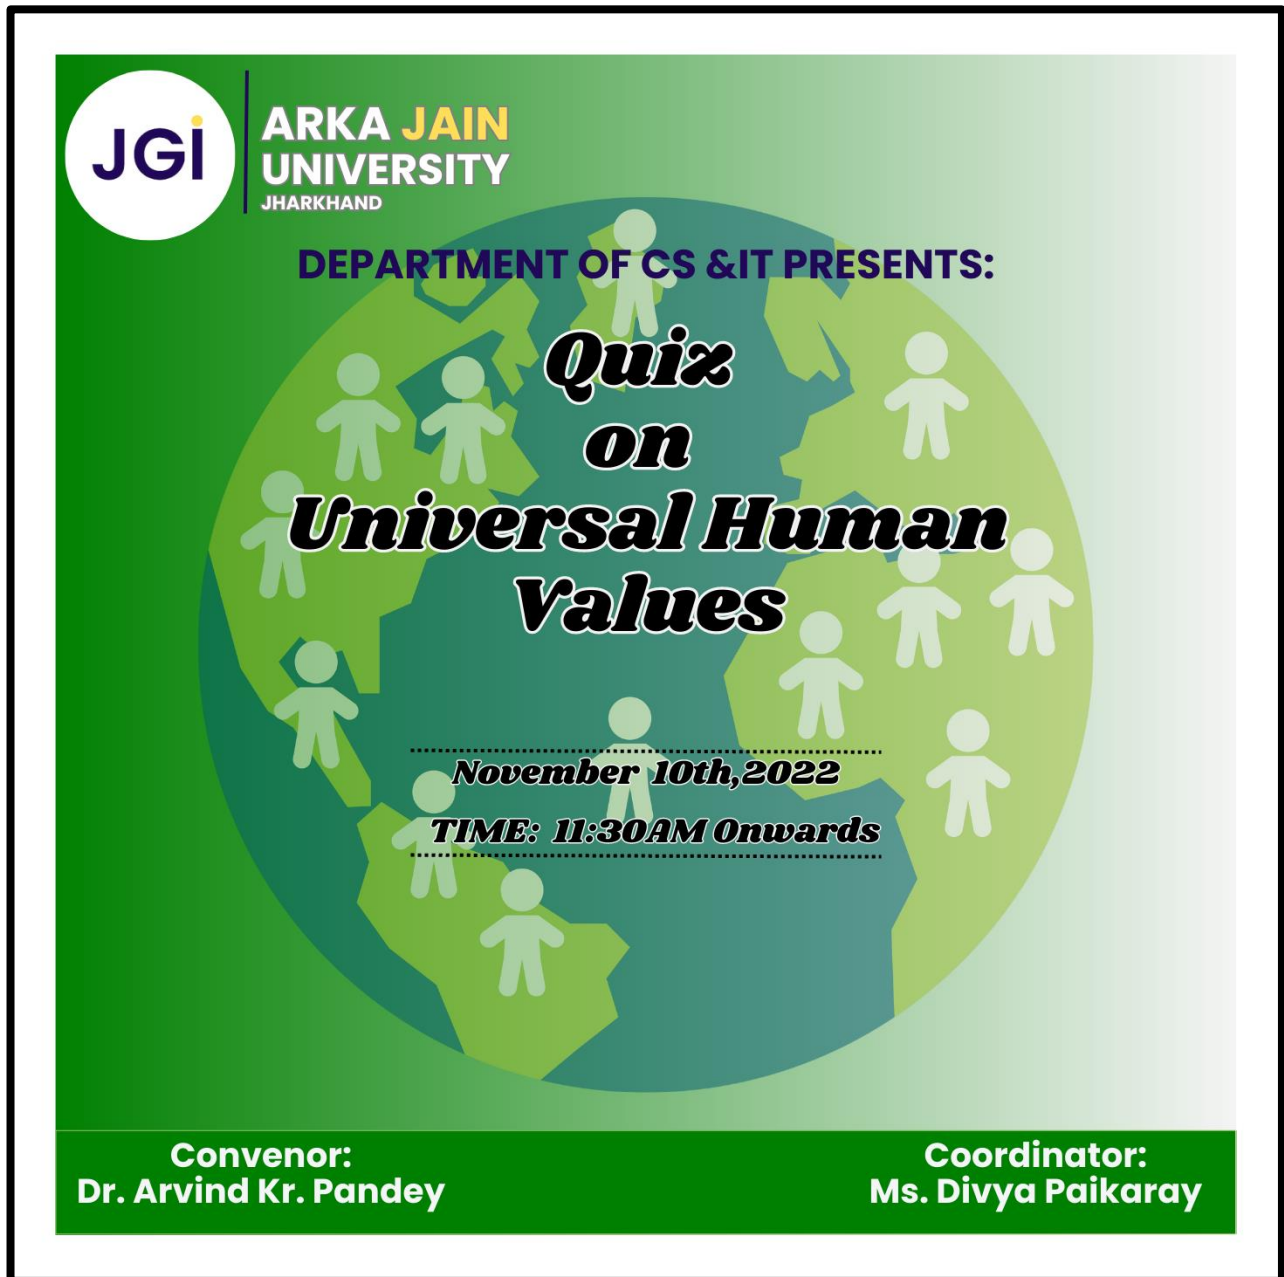

This quiz competition was based on the concept of Human Values which focuses on how it serve as our benchmarks for success and as our paradigm for what is proper. It also focuses on different terms such as morals, integrity, living in harmony with others, honesty (truthfulness and trustworthiness), compassion, bravery, sharing, time management, adjustment (cooperation), self-assurance, commitment, spirituality, and other such qualities are among the characteristics that make up a better version of human being.

It was a very successful Quiz Competition appreciated by the participants. The participants got various inputs regarding their rights and responsibilities. At last a vote of thanks was conducted for the participants.

The Quiz competition was of One Day Program, students from ARKA JAIN University actively participated in this event.

**TAKEAWAY (OUTCOMES):** This event helped our students to understand their rights and responsibilities as a human being, emphasizing the importance of values in guiding individual actions. Participants gained insights into the qualities that contribute to character development, fostering a holistic understanding of what it means to be a better human being.
