**OBJECTIVE:** The main objective of the Interview Skills Webinar, held on 13th April 2023, was to equip students with the knowledge and skills necessary to navigate verbal and psychological challenges during on-campus and off-campus interviews. The webinar aimed to alleviate the fears associated with interviews and provide insights into handling diverse situations with confidence.

### DETAILS:

The Department of Computer Science & Information Technology at ARKA JAIN University organized an Interview Skills Webinar, coordinated by Mr. Akash Kumar Bhagat and Dr. Arvind Kumar Pandey, Head of the CS & IT department.

In this session, the speaker has discussed and highlighted some major points that students must need to keep in their mind while appearing for an on-campus and off-campus interview.

Mr. Akash Kumar Bhagat has explained how interview has always been a perplexed and fearsome nightmare among the candidates but on the contrary it is also taken as an approach to fetch out the essential traits and aptitude that is required to be the part of an organization. Good interview skills are consist of the managing and dealing with all ups and downs and contradictory situations and weaknesses in a candidate. How to tackle an interview is the most important aspect that a candidate (seeking for a good position in an organization) must know.

This kind of activity encourages pupils to learn creatively from an early age. It was a very successful session appreciated by the participants. The webinar was of one day program, students from ARKA JAIN University actively participated in this event.

**TAKEAWAY (OUTCOMES):** The outcomes of the Interview Skills Webinar were highly impactful, as participants gained enhanced interview skills and a newfound confidence in navigating complex interview scenarios. The webinar successfully instilled practical insights on managing ups and downs, addressing contradictory situations, and effectively dealing with weaknesses during interviews. Participants were equipped with essential tips and strategies to counter challenging questions, fostering intrapersonal skills development. The active engagement of students reflected the webinar's success in addressing fears associated with interviews and providing valuable guidance for career advancement. Overall, the outcomes underscored the webinar's effectiveness in preparing students for the intricacies of on-campus and off-campus interviews, empowering them to approach professional opportunities with newfound confidence and competence.
