WORLD ENVIRONMENT WEEK 2023 BEAT PLASTIC POLLUTION (FOCUS ON SOLUTIONS TO PLASTIC POLLUTION)

Date of Event	1 st -7 th June 2023
Name of the Event	WORLD ENVIRONMENT WEEK 2023 Beat Plastic Pollution (FOCUS ON SOLUTIONS TO PLASTIC POLLUTION)
Type of the Event	An Environment and Sustainability Awareness Event for Life Skill Development & to Commemorate the World Environment Week International Commemorative Day/ Awareness Event/Skill Development
Conducted by	School of Health & Allied Science
No. Of Participants	96

OBJECTIVE: L-iFE (Lifestyle for Environment) a global movement for "mindful and deliberate utilization, instead of mindless and destructive consumption", to safeguard our environment from the impact of climate change. Mass mobilization on Mission Life for creating awareness about the mission *i.e.* mindful and deliberate utilization and inculcating sustainable consumption behaviour.

DETAILS: In the directives of Honourable Govt. of Jharkhand and Higher education institution, School of Health and Allied Science observed World Environment Week 2023 from 1st June to 7th June 2023. Theme of the observation was Beat Plastic Pollution (FOCUS ON SOLUTIONS TO PLASTIC POLLUTION). Students of ARKA JAIN University spread the message of awareness regarding mindful and deliberate utilization, instead of mindless and destructive consumption to protect the environment.

On the 1st day (1st June 2023) students along with the employees of the university took Life Pledge.

[I pledge to make all possible changes in my daily life to protect the environment. I also commit to continuously motivate my family, friends and others about the importance of environmentally friendly habits.]

On the 2nd day (2nd June 2023) students along with the employees of the university went for Plastic waste collection Drive in the Campus for cleanliness as well as plastic free environment awareness.

On the 3rd day (3rd June 2023) students along with the employees of the university went for plantation drive to the nearby forest and sprayed seeds as rainy season is coming in the next two months.

On the 3rd & 4th day (3rd & 4th June 2023) students along with the employees of the university distributed cotton bags. Videos on this observation was shared creating the awareness to avoid plastic bags.

On the 5th day (5th June 2023) students along with the employees of the university went to the nearby adopted village Mohanpur and prepared model composting centre. Students explained the villagers about "mindful and deliberate utilization, instead of mindless and destructive consumption".

On the 6th day (6th June 2023) students of the university presented a nukkad natak on the theme *Dharti Kare Pukar*, where they sprayed messages for environment protection (cleanliness, plantation, maximum possible to avoid plastic *etc.*).

The valedictory of the environment week was conducted on 7th June 2023 through cultural program by the students in the campus.

The organizers of the observation were well appreciated by the Vice Chancellor Dr. S. S. Razi and Registrar cum Director Mr. Amit Kumar Shrivastav, Director Student Welfare Dr, Angad Tiwari.

OUTCOMES: A real platform for raising awareness on environmental issues like pollution, overpopulation, global warming, conservation of forest, water, soil, protection of birds and animals, possible avoidance of plastic, rain water harvesting, power conservation *etc*.
