AWARENESS QUIZ COMPETITION ON THE OCCASION OF SAFER INTERNET DAY

Date of Event	**08-02-2023**
Name and Type of Event	**Awareness QUIZ Competition on the occasion of SAFER INTERNET DAY**
Conducted by	**Mrs. Rakhi Chakraborty, Mr. Sourabh Kumar**
No. of Participants	**23**

Objective: The primary objective of the Awareness Quiz was to propel students toward a safer and more responsible use of the internet. In an era where the internet is integral to daily life, the event sought to enlighten participants on potential risks, the importance of secure connections, and the responsible utilization of online resources.

Introduction: Every year, the global community observes February 7 as Safer Internet Day, emphasizing the indispensable role of the internet in our lives. Acknowledging the significance of a secure online environment, the Department of Engineering at Arka Jain University organized an Awareness Quiz on Internet and Web Knowledge on February 8, 2023. The initiative aimed to promote responsible internet usage among students, ensuring their safety and fostering a deeper understanding of online technologies.

Venue and Participants: The quiz was conducted on the 2nd Floor, Block – Baudhayana, commencing at 10 am. The registrations were facilitated through an online form, and a total of 23 enthusiastic participants joined the event. The competition was coordinated by Mrs. Rakhi Chakraborty and Mr. Sourabh Kumar under the able guidance of Mr. Ashwini Kumar, Assistant Dean of the School of Engineering & IT, Arka Jain University.

Link for competition was: https://forms.gle/KiMjY1uSQrSKSiRJ9

Quiz Structure: The quiz comprised a series of thought-provoking questions, designed to assess participants' knowledge of internet safety, cybersecurity, and responsible online behavior. Participants were engaged in a dynamic and interactive learning experience, addressing various aspects of internet usage.

Results and Recognition: Participants were evaluated based on their scores, with top performers receiving acknowledgment and appreciation. The event highlighted not only the competitive spirit among participants but also the collective commitment to fostering a safer digital environment.

In conclusion, the Safer Internet Day Awareness Quiz organized by the Department of Engineering at Arka Jain University served as a commendable initiative to instill a culture of responsible internet use. The event successfully achieved its objective of enhancing students' awareness, contributing to a safer online community. Such initiatives are pivotal in preparing the youth to navigate the digital landscape with knowledge and prudence.

Outcome: The event proved to be a success in enhancing learning among students. Through the quiz, participants gained valuable insights into safe internet practices, fostering a heightened awareness of the potential threats and the importance of staying vigilant online. The realization of the significance of staying safe in the virtual space was a key takeaway for all participants.
