World Television Day

OBJECTIVE: To help students to gain hands-on experience and practical knowledge on television production with professionals.

DETAILS:

Students of Department of Journalism and Mass Communication attended four days shooting of web series by Bow and Arrow Productions under BBC Studios India banner (Mumbai) slated for streaming on Amazon MiniTV OTT platform. Shooting took place at Loyola School, Jamshedpur. As a part of 'World Television Day' activity by the department of Journalism and Mass Communication, students got the opportunity to work with web series actors and professionals from the BBC Studios team of Mumbai. The student's involvement in the web series production provided them with a good opportunity to gain hands-on experience and about television production. It also allowed students to observe and learn from industry experts providing practical insights that go beyond the classroom setting.

Honourable dignitaries of Arka Jain University, Dr. S. S. Razi, Mr. Amit Kumar Srivastava, Mrs. Richa Garg, Mr. Jasbir Singh Dhanjal and Dr. Angad Tiwari motivated the students for taking part in such productive practical session. Mr. Amit Kumar Shrivastav, Director cum Registrar, said "It is a good opportunity for the students because this will help students to observe and learn from industry professionals. Such practical sessions are very much important for student's academic and professional development." Head of the Department of Journalism and Mass Communication, Dr. Rahul Amin said "Students must participate in such productive practical session for enhancing their skills and practical knowledge, such practical sessions will develop our students as an expert media professionals".

It was a productive session for the students in which they got the knowledge about web series shooting, facing camera, scheduling and about production phases.

TAKEAWAY (OUTCOMES):

Students got the opportunity to observe and learn television production from industry experts. Students gained knowledge about web series shooting, facing camera, scheduling. Students learnt about different phases of television production.
