WORLD ORAL DAY

Date of Event	20.03.2023
Name of Event	World Oral Day
Type of the event	Oral Awareness and Hygiene Activity
Conducted by	Department of Engineering
No. of Participants	15
Name of The Co-Ordinators	Dr. Viranshu Kumar & Mr. Mukesh Kumar Sharma

Objective: The primary objective of the event was to raise awareness and make students cognizant about the significance of oral hygiene. Arka Jain University organized the World Oral Health Day on 20th March 2023, aligning with the global initiative to promote healthier mouths and happier lives.

Details: World Oral Health Day, observed annually on 20th March, is a global initiative launched by the FDI World Dental Federation. It marks the beginning of a year-long campaign dedicated to increasing awareness of oral health issues. The initiative aims to bring together governments, health associations, and the general public in a collaborative effort to combat oral diseases, with the understanding that 90% of the world's population will suffer from oral diseases in their lifetime, many of which are preventable.

The event involved campaigns by national dental associations from over 130 countries, highlighting the importance of oral health. Since its inception in 2013, each year's campaign featured a specific theme, emphasizing different aspects of oral health and hygiene.

World Oral Health Day Themes:

2013: Healthy Teeth for Healthy Life

2014: Brush for a Healthy Mouth!

2015: Smile for Life!

2016: It All Starts Here. Healthy mouth. Healthy body.

2017: Live Mouth Smart

2018: Think Mouth, Think Health

2019: Act on Mouth Health

2020: Unite for Mouth Health

2021 - 2023: Be Proud of Your Mouth

Takeaway (Outcomes): The event successfully achieved its objective of making students more informed about oral hygiene. The key takeaways include:

Increased Awareness: Students gained valuable information about the importance of oral hygiene, thanks to the World Oral Health Day celebration. The event served as a platform to educate students on preventive measures and the impact of oral health on overall well-being.

Global Perspective: By participating in a global initiative, students broadened their perspective on oral health, understanding that it is a global concern. The campaigns organized by national dental associations worldwide emphasized the universality of the issue.

Empowerment: Armed with knowledge about oral hygiene, students were empowered to take proactive measures in maintaining their oral health. The event encouraged a sense of responsibility and self-care among the student community.

In conclusion, the World Oral Health Day celebration at Arka Jain University effectively contributed to the global initiative of promoting oral health. By disseminating valuable information and engaging students in the awareness campaign, the event played a crucial role in fostering a culture of oral hygiene and well-being within the university community.
