"Gift a Plant" An Environment and Sustainability Awareness

Date of Event	12.09.2023
Name of the Event	"Gift A Plant" An Environment And Sustainability Awareness
Type of the Event	A Life Skill Development Outreach Extension Environment Sustainability Activity
Conducted by	School of Pharmacy in association with NSS & NCC of AJU
No. of Participants	42

OBJECTIVE:

The cross-cutting issue of environment and sustainability is of paramount importance in today's world, as it touches upon various aspects of human life, economic activities, and global well-being. Recognizing and addressing these issues is essential in various fields to promote positive outcomes and mitigate risks.

DETAILS:

The cross-cutting issue of environment and sustainability presents a multifaceted challenge that requires urgent and coordinated efforts at local, national, and global levels. Addressing these challenges is not only vital for the preservation of our planet but also for ensuring a sustainable and prosperous future for all. By adopting innovative strategies and promoting responsible practices, we can work towards a more environmentally sustainable and resilient world. Looking into the importance of awareness among the students and the public, BHESAJAM, The Pharma club of School of Pharmacy, ARKA JAIN UNIVERSITY, in association with NCC & NSS ARKA JAIN UNIVERSITY, organized an event called **"GIFT A PLANT" - an Environment and Sustainability Awareness** event on **September 12, 2023**. The event began with students decorating flower pots. The plants were generously provided by Dr. Plaza which included Azadirachta indica, Butia monosperma, and Cedrus deodara. Azadirachta indica has a unique combination of actions that include

- Antimicrobial antimalarial and anthelmintic. *Butia monosperma* has been traditionally used to treat skin diseases. The students embarked on their journey from the campus at 10:30 am, utilizing the bus provided by the university. They reached their destination at around 11:15 am and commenced the distribution of plants. The students efficiently managed traffic without causing chaos, politely stopping people to educate them about the importance of environmental conservation and encouraging sustainable practices for the future well-being of our planet and its greenery. Approximately 40 plants were distributed by the students. Once the plant distribution was completed, the students were directed to return to the campus via bus, under the guidance of the faculty members present. The entire event was a resounding success under dedicated efforts of Miss. Purnima, Mr. Ashutosha, Mr. Pravas, Mr. Pradeep and Mr. Barun along with the enthusiastic cooperation of the students and conceptualized by Dr. Jyotirmaya Sahoo. The event received high praise from the Vice-Chancellor, Dr. S.S. Razi, who commended both the students and the faculty for organizing such a meaningful awareness event for the public.

TAKEAWAY (OUTCOMES):

The "GIFT A PLANT" event organized by the School of Pharmacy at ARKA JAIN University has had a positive and multi-faceted outcome. It not only increased awareness about environmental sustainability but also encouraged personal responsibility, community engagement, and a commitment to promoting a greener and more sustainable planet. This event serves as an inspiring example of how educational institutions can play a crucial role in nurturing environmental consciousness among the youth and the wider community.

POSTER OF THE EVENT

The poster features a central image of a hand holding a white pot with a lush green plant. At the top, there are logos for G20 India 2023, JGi ARKA JAIN University Jharkhand, School of Pharmacy's Pharma Club, National Service Scheme (NSS), and NCC of ARKA JAIN UNIVERSITY. The main text is in green and black, announcing the event 'BHESAJAM' organized by the Pharma Club. It includes the date and time (12th September 2023, 11:30 AM onwards) and the venue (Gamhariya). The event is described as a Life Skill Development Outreach Extension Environment Sustainability Activity.
