Objective: The primary objective of the cleaning initiative was to meticulously clean the statue of freedom fighter Tilka Majhi near Murgaghutu village. This initiative aimed to pay homage to Tilka Majhi, preserve India's cultural heritage, and promote a cleaner and historically enriched environment.

Details: On the auspicious day of October 2, 2023, in line with the nationwide "Swachhata Hi Seva Hai" campaign, the indomitable spirit of the 8/37 NCC cadets from Arka Jain University shone brightly as they embarked on a meaningful mission under the esteemed guidance of ANO Lt. Ranjeet Kumar. With unwavering support from the institution's dedicated staff members and the backing of the GCI, the cadets undertook a significant endeavor – the meticulous cleaning of the statue of freedom fighter Tilka Majhi near Murgaghutu village.

This ambitious undertaking was more than just a cleanliness drive; it symbolized a profound commitment to preserving and honoring India's rich cultural heritage. The statue of Tilka Majhi, a revered freedom fighter, held historical significance, and the cadets, understanding the importance of this cultural relic, approached the task with utmost dedication.

The meticulous cleaning process, carried out by the cadets, not only paid homage to the legacy of Birsa Munda but also contributed to the historical and cultural enrichment of the area. Prime Minister Narendra Modi's emphasis on preserving our cultural heritage within the broader framework of the Swachh Bharat Abhiyan found resonance in this noble effort.

ANO Lt. Ranjeet Kumar played a pivotal role in orchestrating and guiding the cadets throughout this venture. His leadership and dedication served as a beacon, inspiring the cadets to undertake the task with enthusiasm and a sense of purpose. The support from the institution's GCI and other staff members further fortified the cadets' resolve, creating a collaborative environment for the success of the initiative.

The act of meticulously cleaning the statue and its surroundings showcased the spirit of community service and environmental responsibility inherent in the ethos of the NCC cadets. By actively engaging in the preservation of historical monuments, the cadets exemplified their commitment to creating a cleaner, culturally enriched, and historically preserved India.

This endeavor, beyond its immediate impact on the cleanliness of the area, stood as a testament to the youth's dedication to national causes. The cadets' actions reflected a deeper understanding of their role as custodians of India's heritage and their responsibility towards shaping a future that embraces both cleanliness and cultural preservation.

In conclusion, the 8/37 NCC cadets, under the leadership of ANO Lt. Ranjeet Kumar and with the support of the GCI and other staff members, successfully translated the ideals of the "Swachhata Hi Seva Hai" campaign into tangible action. Through the cleaning of Tilka Majhi's statue, they not only contributed to a cleaner environment but also left an enduring mark on the cultural and historical landscape of the Murgaghutu village, embodying the spirit of a cleaner, culturally enriched, and historically preserved India.

Outcomes: The cleaning of Tilka Majhi's statue symbolically represented the ideals of the Swachh Bharat Abhiyan, translating the nationwide cleanliness drive into tangible action at the local level. It showcased the practical integration of cleanliness and cultural preservation.
