COMMUNITY HEALTH SURVEY

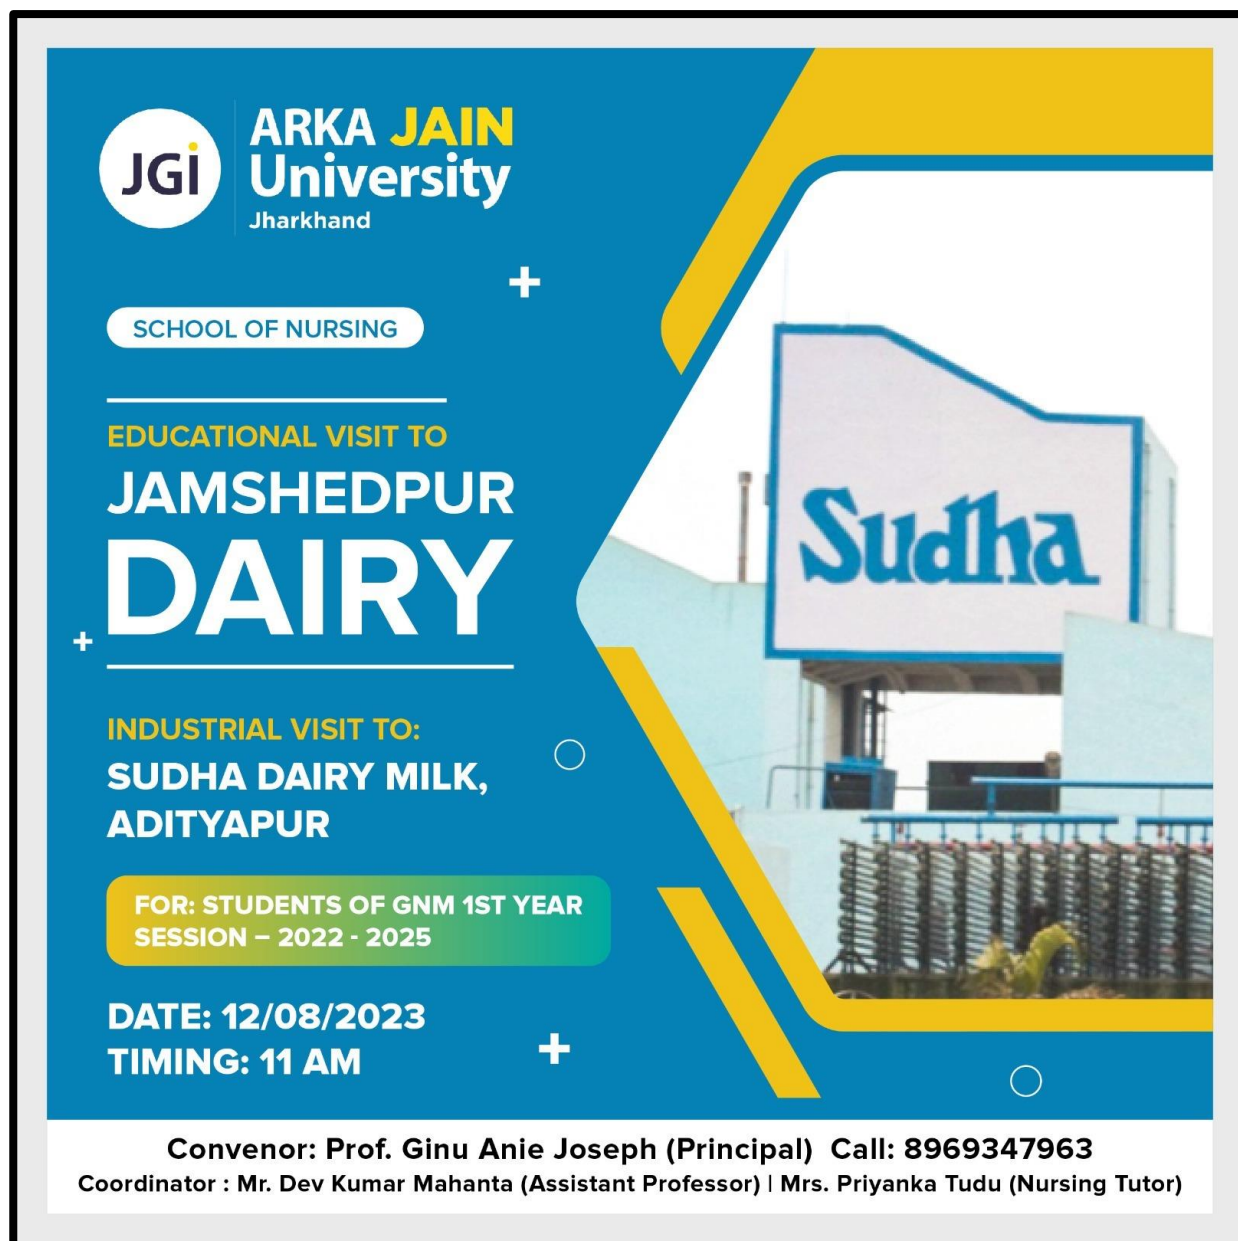

Date of Event	12.08.2023
Name of the Event	Educational Visit to Sudha Milk Dairy, Adityapur
Type of the Event	Outreach Activity
Conducted by	School of Nursing
No. of Participants	9 students

OBJECTIVE: The primary objective of the industrial visit was to familiarize the GNM 1st year students of Arka Jain University, School of Nursing, with the various operations involved in milk processing at Sudha Dairy, Adityapur.

DETAILS: The industrial visit took place on 12th August 2023, starting at 11 am. The visit was organized for the GNM 1st year students, accompanied by Mr. Dev Kumar Mahanta (Assistant Prof.) and Mrs. Priyanka Tudu (Nursing Tutor). Upon arrival at Sudha Dairy, Adityapur, Mr. Anupam Kumar (Marketing Manager) and Miss Silpa Singh (Processing Manager) provided a comprehensive orientation about the dairy's operations. The students were briefed on various aspects of milk processing, with a particular focus on the pasteurization process and the packaging system for the dairy products. The industrial visit proved to be an invaluable learning experience for the students, allowing them to bridge the gap between theoretical knowledge and practical application. Witnessing the operations firsthand helped the students gain insights into the complexities of milk processing and understand the importance of quality control in the dairy industry. The visit commenced at 11 am and concluded at 12:15 pm. The students were actively engaged throughout the session, absorbing information about the different stages of milk processing. The program was conducted under the supervision of Professor Mrs. Ginu Anie Joseph, Principal of the School of Nursing, with the authorization of Campus Director Professor Dr. Angad Tiwari. A note of gratitude was extended to Mr. Anupam Kumar (Marketing Manager) and Miss Silpa Singh (Processing Manager) for their informative sessions. Special thanks were conveyed to the Chief Executive Officer of Sudha Dairy, Adityapur, and the former Vice-Chancellor Prof. Dr. Syed Safdar Razi for their support in facilitating the successful completion of the visit.

TAKEAWAY (OUTCOMES): The students, through this industrial visit, gained a profound understanding of the method and processing involved in pasteurization. Furthermore, the exposure to the milk dairy factory underscored the significance of teamwork, coordination, and cooperation in a real-world industrial setting. This experience not only enriched their practical knowledge but also emphasized the importance of collaboration in ensuring the smooth functioning of dairy operations.
