## SESSION ON SUSTAINABILITY AND TPM METHODOLOGY

<b>Date of Event</b>	<b>28.01.2023</b>
<b>Name of the Event</b>	<b>Session on Sustainability and TPM Methodology</b>
<b>Type of the Event</b>	<b>Academic</b>
<b>Conducted by</b>	<b>BA(H) Fashion Design</b>
<b>No. of Participants</b>	<b>41</b>

### **OBJECTIVE:**

The event organized by the Department of Fashion Design at ARKA JAIN University proved to be an enlightening experience for the students, focusing on two critical aspects: sustainability and TPM (Total Productive Maintenance) Methodology.

### **ABOUT THE EVENT:**

The Department of Fashion Design at ARKA JAIN University hosted an enlightening session on Sustainability and the TPM Methodology. The distinguished keynote speaker was Mr. Gaurav Anand, renowned for spearheading the Swachhta Pukare Foundation and paving Jamshedpur's first plastic road. With sixteen years of expertise as an Environmental Engineer at JUSCO, Mr. Anand has significantly contributed to areas such as City Waste Management, Quality Assurance, Smart Cities, and TPM systems. The students of the university were honored to have such a charismatic and accomplished individual amidst them, leaving them feeling motivated and proud. Mr. Anand's impactful work in environmental protection was met with admiration and inspiration from the students in attendance. As a seasoned professional in the field, Mr. Anand's presence was invaluable to the success of the event.

### **TAKEAWAY (OUTCOME):**

The event's primary outcome was the enhanced understanding of sustainability and TPM Methodology among the students. They gained valuable insights into the critical role sustainability plays in various aspects of life, especially within the context of the fashion industry. Moreover, the lessons on TPM Methodology equipped them with knowledge that is not only relevant in industrial settings but also serves as a foundation for operational excellence in any field.
