## TECHNICAL QUIZ FOR CIVIL ENGINEERS

Date of Event	17-02-2023
Name of Event	Technical quiz for civil Engineers
Type of the event	Knowledge Enhancement
Conducted by	Department of Engineering and IT
No. of Participants	10

**OBJECTIVE:** On the 17th of February 2023, ArkaJain University hosted a technical quiz competition tailored for civil engineering students. The primary objective of the competition was to assess the participants' knowledge and skills across diverse facets of civil engineering.

**Details:** A technical quiz competition for civil engineers was held at the ArkaJain University. The competition was designed to test the knowledge and skills of civil engineering students in various aspects of their field.

The Coordinators introduced the rules and format of the competition.

The quiz comprised of single round .The round consisted of multiple-choice questions that covered a wide range of topics related to civil engineering, including structural engineering, construction management, geotechnical engineering, transportation engineering, and environmental engineering.

The teams participated with great enthusiasm and displayed their in-depth knowledge of the subject matter. The Coordinators kept the Students engaged with interesting and thought-provoking questions, and the participants showed their quick thinking and problem-solving abilities, making the competition an exciting and engaging event.

Overall, the technical quiz competition for civil engineers was a great success. The event provided an opportunity for students to showcase their knowledge and skills in their field of study, and it was an excellent platform for encouraging healthy competition and learning among peers. The participants appreciated the event, and the feedback was overwhelmingly positive.

**OUTCOMES:** Students were able to learn about the Technical Questions for their interview and Competitive examinations

Students became aware about the latest questions in the field of Civil Engineering.
