COMPANY PROFILE:

D. E. Shaw India Private Limited (D. E. Shaw India) is an integral part of the D. E. Shaw group, a global investment & technology development firm. Established in 1996 as a technological development center, D. E. Shaw India has expanded its business into a broad range of software and financial activities. Its staff collaborates with colleagues around the world not only to build cutting-edge proprietary software systems that form an intrinsic part of the D. E. Shaw group's investment activities but also to provide research & operations support to the firm's systematic, discretionary, & hybrid strategies. Founded in 1988, the D. E. Shaw group quickly became a pioneer in computational finance. Today, the firm has offices around the globe & an institutional-grade infrastructure. They believe that their diverse & inclusive work culture drives creativity, productivity, & performance. An entrepreneurial spirit has always been a part of D. E. Shaw group's culture. When external platforms don't meet their needs, they build their own. They created one of the first No SQL databases, built a powerful data analysis library for Python before Pandas existed, & built a modern web engineering framework tailored to the firm's needs.
