## National Science Day -28<sup>th</sup> February 2024

Date of Event	28/02/2024
Name of the Event	National Science Day
Type of the Event	Commemorative Day
Conducted by	Department of Optometry, ARKA JAIN University
No. of Participants	19

### OBJECTIVE:

- To widely spread a message about the significance of scientific applications in the daily lives of people
- To display all the activities, efforts, and achievements in the field of science for the welfare of human beings
- To discuss all the issues and implement new technologies for the development of science
- To encourage the people as well as popularize science and technology

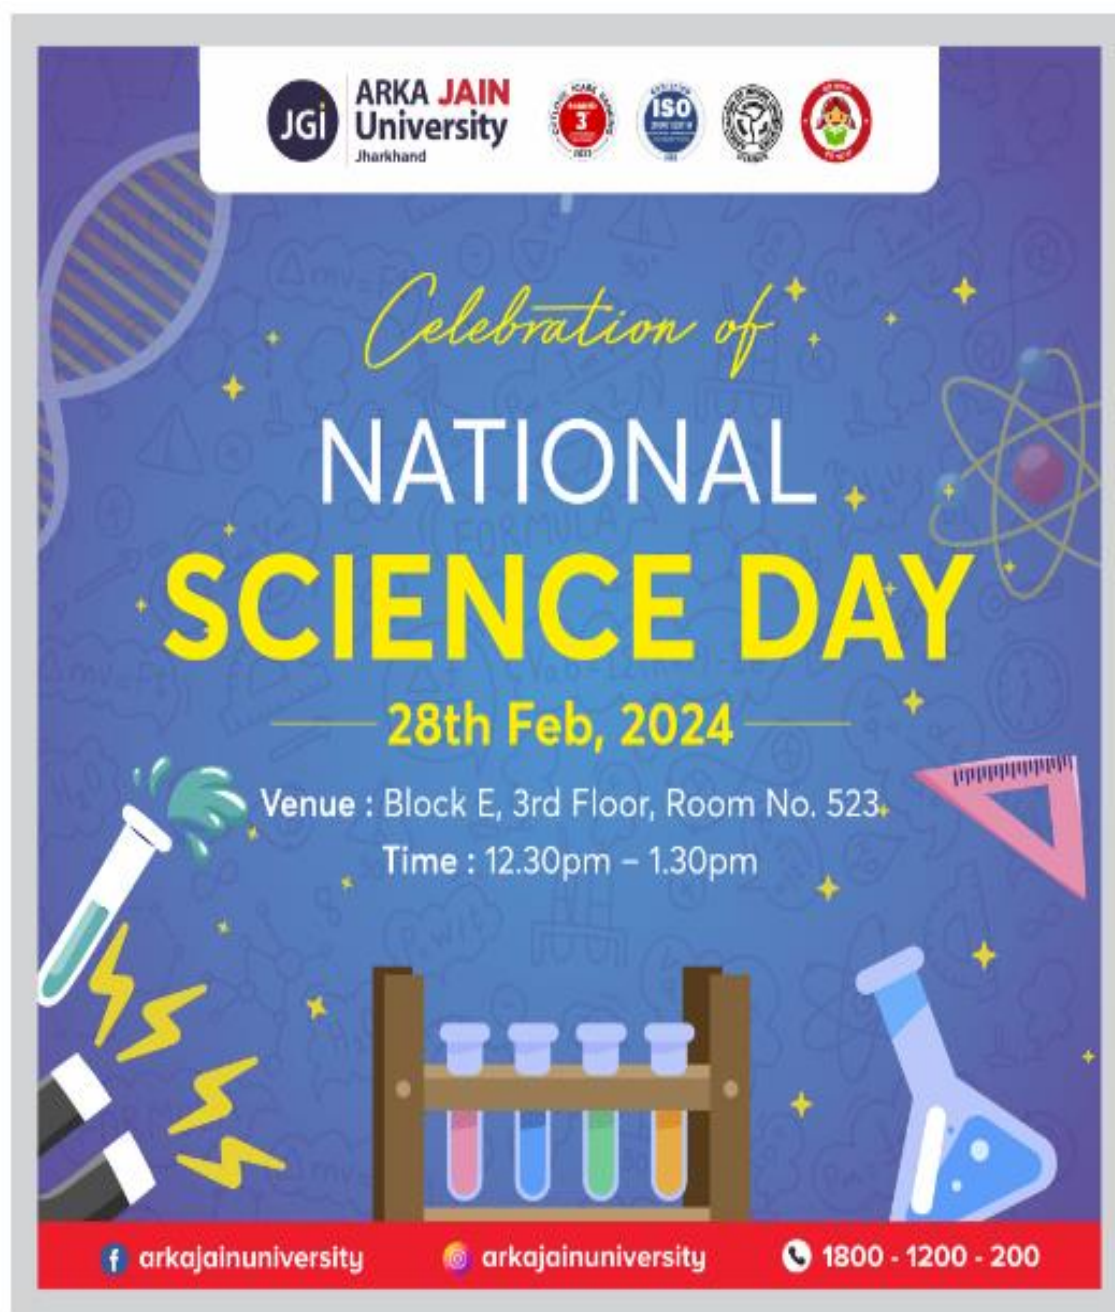

### ABOUT THE EVENT:

National Science Day is celebrated every year on 28<sup>th</sup> February to commemorate the discovery of the '**Raman Effect**' made by the eminent physicist Sir C.V. Raman while working in the laboratory of the Indian Association for the Cultivation of Science, Kolkata. For this discovery, he was awarded the Nobel Prize in 1930. On National Science Day, theme-based science communication activities are carried out all over the country.

The Department of Optometry AJU, also organized a Poster Presentation Competition based on the theme "Science for Nation Building". The students were made to register via an online link to participate in the Poster Presentation Competition beforehand. Each group prepared a poster based on the topic of their choice. No two groups were allowed the same topic. After each person in the group had given their presentation, there was a question answer round.

Winner Team :-- Artificial Intelligence  
Runner-up Team :-- Space Exploration
