

**ARKA JAIN**  
**University**  
Jharkhand

## **Resolution:**

The School of Nursing, ARKA JAIN University, Jharkhand has taken it as a resolution in a School level meeting, dated **05/05/2023**, that a nursing club would be established and run by the School with delineated Mission, Objectives and Policy framework. The meeting was presided over by the principal of the School of Nursing and attended by the faculty members of the school. The details as decided in the said meeting are depicted as below for formal approval from the Academic Council:

## **Title/ Name:**

***Samaritan: The Nursing Club of AJU***

## **Run By:**

**School of Nursing, ARKA JAIN University**

## **Vision:**

SAMARITAN CLUB creates compassion & ethical learning environment by enhancing the students to participate in “**Social Welfare Activities**” through good deeds.

## **Mission Statement:**

**"Our mission is to provide a supportive community for nursing students and professionals, promoting excellence in nursing education, practice, and research. We strive to foster an environment that encourages networking, professional development, and leadership opportunities. Through our outreach and advocacy efforts, we aim to promote the nursing profession and improve healthcare outcomes in our community and beyond."**

## **Objectives:**

### **(In Reference to LOGO)**

- **Giving Hope:** To approach and stretch out for help to needy.
- **Living Hope:** To create power and produces changes in one's life.
- **Rising Hope:** To remain committed and motivate to take an action towards self-help to strengthen living conditions.

### **(In General)**

- i. To provide a supportive community for nursing students or practicing nurses.
- ii. To organize events or initiatives to serve the local community, such as health camps or volunteer work.
- iii. To offer opportunities for members to learn new skills, attend conferences or workshops, and network with other nursing professionals.
- iv. To provide a space for members to connect with one another, build relationships, and provide emotional support.
- v. To create a supportive and enriching community for nursing students and professionals, while also promoting the nursing profession and its values.

## **Core Values:**

- Compassion
- Advocacy
- Ethics
- Professionalism
- Lifelong Learning
- Collaboration

## **Connotation of the Samaritan:**

Out of Friend or Enemy, Race, Religion, Caste, Gender, Poor or Rich, low or high caste; despite these prevailing circumstances we as a team of this club and also as a pledged Nurse, will not care what back ground victims holds of. We will approach to any needy and be the Samaritan.

## **Establishment:**

***Samaritan: The Nursing Club of AJU*** is associated to and run by the School of Nursing, ARKA JAIN UNIVERSITY initiated on **05/05/2023** under the guidance of **Prof. Ginu Anie Joseph, Principal, School of Nursing** with the nominated Club Coordinators, **Mrs. Pallavi Sharin Topno (Assistant Professor) and Mrs. Mandira Maharjan (Nursing Tutor).**

## **Functions:**

- Direct approach to the unfortunate/needy ones to meet their basic needs rather than to handing over to the institution head.
- Motivating to make changes by having positive attitudes.
- Acting as counselor by helping the needy/distressed to bring effective changes in health behavior which would enhance the over-all well-being.
- Providing direct help and disseminating information or raise awareness of health issues.
- Promotion of healthy lifestyle and advocacy for patients and providing health education.
- Seeking to initiate changes that positively affect people health and also seek to influence people to think and behave differently about their health and the factors contributing to it.
- Engaging in systematic investigation, collection and analyses of data for solving problems and enhancing community health practices.
- Organizing health check-up camps and awareness campaigns in and out of the campus.

## **General Rules:**

- The students of the School of Nursing would be joining the Club as members or Coordinators.
- The frequency of meetings would be monthly or as when required in terms of activities/events/emergencies.
- By any means if the students within the club shows or get caught red handed with any immoral or mischievous behaviors / action, then the concerned mentor will be informed and the member will be terminated from membership with the penalty which should recover the damage caused by him or her.

- The Club would have the expectations for member behavior, such as respecting the opinions of others and maintaining a professional attitude at all times.

The Club would be empowered to frame a set of bylaws to govern the operation of the nursing club as and when required including the purpose of the organization, membership requirements, officer duties, and rules for meetings and finances.

- The Nursing Club would plan and organize events and activities that align with the nursing club's goals and objectives. This would include guest lectures, volunteer work, fundraising, and social events.
- The Club would take notice of the University rules, regulations, norms and orders.
