OBJECTIVE:

Toastmasters International at ARKA JAIN University fosters a supportive and inclusive atmosphere for its students to practice and refine their public speaking and leadership skills by providing a safe space for individuals to learn and grow.

Details: On May 28th 2023, TOASTMASTERS INTERNATIONAL organized a session on “It’s Never Too Late” for students and faculties of Toastmasters International.

The meeting commenced with TM Soumya, the Toastmaster of the Day (TMoD), introducing all the role players and evaluators for the evening. TM Soumya set the tone for the meeting, emphasizing the theme and encouraging members to bring their unique flavors and personalities to the stage. Following the introductions, all the speakers gave their icebreaker speeches. These speeches marked the beginning of their journey in Toastmasters and provided an opportunity for each speaker to introduce themselves to the club. The icebreaker speeches allowed members to share personal stories, experiences, and goals, setting the stage for their growth and development in the club. The meeting also featured a Table Topics session, led by TM Satyam. During this segment, participants were given impromptu topics to speak about, challenging them to think on their feet and express their thoughts in a concise and coherent manner. The Table Topics session provided a platform for members to practice impromptu speaking skills and fostered spontaneity and quick thinking. After the speeches and Table Topics session, evaluations were conducted by experienced members. The evaluators provided constructive feedback, highlighting the strengths demonstrated by the speakers and providing suggestions for improvement. The evaluations served as valuable learning opportunities for the speakers to refine their skills and enhance their future performances. The AJU Toastmasters Club in collaboration with the In-Steel Toastmasters Club continues to serve as a platform for individuals to enhance their public speaking skills, gain

confidence, and foster personal and professional growth. The fifth meeting exemplified the club's commitment to providing a positive and enriching experience for its members.
