We are pleased to announce an upcoming exposure visit to the Indian Institute of Science (IISc) in Bengaluru, scheduled for February 24, 2024. This visit is organized as a collaborative activity between our university and the Tata Steel Foundation for the students belonging to ST/SC category.

The purpose of this visit is to provide students with a unique opportunity to explore the cutting-edge research and facilities available at IISc, one of India's premier institutions for scientific research and education. The visit aims to inspire and enlighten students by exposing them to innovative ideas and breakthrough technologies in their field of study.

Details of the visit are as follows:

Date: February 24, 2024

Destination: Indian Institute of Science (IISc), Bengaluru

Collaborating Partner: Tata Steel Foundation

We encourage B.Tech students of 6th semester (all branch) to nominate themselves as per the given criteria for this invaluable opportunity to broaden their horizons and gain insights into the forefront of scientific research and development.

Last Date to apply : 10th Feb'24
