**YUVA 3.0 'CREATE A DRESS OUT OF WASTE'**

<b>Date of Event</b>	<b>15.02.2024</b>
<b>Name of the Event</b>	<b>Create a Dress Out Of Waste</b>
<b>Type of the Event</b>	<b>Extra-Curricular Activity</b>
<b>Conducted by</b>	<b>Mr. Nishant Kumar and Ms. Seema Das</b>
<b>No. Of Participant</b>	<b>18</b>

**OBJECTIVE:** The primary goal of the event was to encourage attendees to investigate creative methods of reusing and repurposing items in order to minimize waste and their environmental impact. The event's goal was to encourage creativity and encourage guests to think creatively when it comes to fashion design by setting a challenge for students to make clothing out of recycled or repurposed materials. The event also sought to increase awareness among attendees and in the larger community about the significance of recycling, trash reduction, and environmental conservation. The event's goals were to provoke thought and motivate action toward more environmentally friendly behaviours by exhibiting the creations and telling the tales that went with them.

**DETAILS:**

On February 15, 24th, Mr. Nishant Kumar and Ms. Seema Das organized the "Dress Out of Waste" event. This one-of-a-kind and creative event challenged participants to design and make costumes out of exclusively recycled or repurposed materials in an effort to foster creativity and sustainability.

The event started with the Lamp Lighting and by remembering the Almighty. The Chairperson of the Board of Management, Prof. (Dr.) S.S. Razi, Director Cum Joint Registrar Dr. Amit Shrivastav, Mr. Jasbir Singh Dhanjal, Joint Registrar, Prof. (Dr.) Angad Tiwary, Dean of the Campus, and Faculty members graced the event with their presence. With great enthusiasm, participants took up the challenge and created their environmentally friendly outfits out of cardboard, plastic bags, newspapers, and leftover cloth. Students were able to display their creativity and spread knowledge of the value of environmental conservation and trash reduction through the event. A presentation of all the projects allowed attendees to enjoy and share ideas with one another as the event came to an end. It motivated attendees to incorporate more ecologically friendly behaviors into their daily lives and served as a reminder of the potential for creativity and innovation in sustainability initiatives.
