STUDENT'S FEEDBACK

feedback on Extempore Competition

When mam sent the link for extempore competition. I was so nervous that I did not register myself for the competition at that time. But when the day of competition came to our faculty prof. Aditi mam encouraged me to participate. Hence I registered myself for the competition. But when my name was announced. Aditi mam gave me the topic I started talking and said whatever came to me. I felt that I did not speak well. But when Dr. Nupur mam was pointing everyone's mistake. Mam said that I speak well. I was very happy and I look forward to participate more in such activities.

Thank you...
