Our student ambassador with his dedication and proficiency led to advancement to the Alpha position, where he undertook a comprehensive full-stack development project on the Azure platform. This experience not only honed his technical skills but also provided invaluable insights into cloud computing and application development.

Promotion to Beta Position and Recognition

In recognition to our student ambassador's contributions and dedication, he was promoted to the Beta position within the program. Along with this promotion, he received an array of amazing swags, Microsoft certificates, and an official ID card, further solidifying his commitment to the program and its mission.

Campus Event and Recognition:

5-Day Workshop on Git-GitHub and Web Development was organized at the University campus. Microsoft generously provided LinkedIn Premium subscription to the top five participants and GitHub Pro to all the attendees, along with digital certificates signed by Microsoft Lead at ARKA JAIN University. This event not only fostered learning but also strengthened the bond between AJU peers and the Microsoft community.
