Report on – Career Counselling & Optometry as the best career option
Held on- 29th May, 2023

Date of Event	29.05.2023
Name of the Event	Career Counselling & Optometry as the best career option
Type of the Event	Academic-Awareness program, Career Counselling
Conducted by	Department of Optometry
No. of Participants	13

OBJECTIVE:

The awareness about Optometry in Jharkhand and nearby states is very negligible. The need of Optometrist to patient ratio is very high, so to alert the students and make them capable of awaking the community ahead; a webinar was hosted by the department of Optometry.

ABOUT THE EVENT:

The webinar was conducted by the optometry department on the virtual platform of Microsoft Teams. The session was addressed by Mr Sreejit Sarkar, Regional Trainer- East India; Lenkart. Mr Sarbojeet Goswami, Program Co-ordinator and Asst.prof of Optometry department asked various frequently asked questions to Mr Sreejit who explained the need of optometrists in India since it is the blind capital of the world now.

TAKEAWAY (OUTCOME):

50% of world's blind population is in India and 1,30,000 eye-care practitioners are required, whereas only 45,000 are only at service right now. To encourage the future students to enroll into a noble healthcare occupation will play a vital role in lessening the burden of blindness and enhance the economy of the country as well.
