

**GOOGLE DEVELOPER STUDENT CLUBS (GDSC),**  
**ARKA JAIN UNIVERSITY**

Google Developer Student Clubs

The **Google Developer Student Clubs (GDSC)** are community groups for students eager in pursuing their interests related to software technologies. These clubs are typically associated with universities and colleges around the globe. The primary goal of GDSC is to create a collaborative environment where students can learn about technologies, develop their technical skills, and work on projects that have a positive impact on their communities. Currently 800 plus members have joined the GDSC Official Group, thus making it one of the largest Tech Communities in ARKA JAIN University.

**GDSC-AJU Lead:**

Google Solution Challenge 2024 Kickoff Session

Google Developer Student Clubs  
Arka Jain University - Jamshedpur

**What is Solution Challenge?**

The Google Developer Student Clubs 2024 Solution Challenge mission is to solve for one of the United Nations' 17 Sustainable Development Goals using Google technology.

Created by the United Nations in 2015 to be achieved by 2030, the 17 Sustainable Development Goals (SDGs) agreed upon by all 193 United Nations Member States aim to end poverty, ensure prosperity, and protect the planet.

We invite Leads to join the competition and/or host workshops to help their club members participate.
