OBJECTIVE: The objective of the industrial visit to M/S UTKAL AUTO COACH Jamshedpur is to provide students with practical insights into manufacturing processes, technology applications, and real-world engineering practices in an industrial setting.

DETAILS:

On 08th May 2024, an industrial visit was organized for the 2nd Semester students of Mechanical Engineering, School of Engineering and IT, ARKA JAIN University to M/S UTKAL AUTO COACH Jamshedpur. The visit aimed to provide students with practical exposure to industrial processes and technology applications.

Session 1: Interaction with HR Team

The visit commenced with an interactive session with the HR team of M/S UTKAL AUTO COACH. During this session, students were acquainted with the rich history of M/S UTKAL AUTO COACH. They learned about the company's evolution over the years and its contributions to the engineering industry. Additionally, the HR team enlightened the students about the various verticals in which the company operates, giving them insights into the body building (different automobile industrial like TATA MOTORS, MAHINDRA ETC) is involve in.

Refreshment at the Company Canteen:

As a gesture of hospitality, the HR team extended *refreshment* invitations to the students at the company canteen. This provided students with an opportunity to experience the workplace environment firsthand and engage in informal discussions with M/S UTKAL AUTO COACH employees.

Plant Visit:

After *refreshment*, the students proceeded to visit the M/S UTKAL AUTO COACH plant. They were taken on a guided tour of the facility, where they witnessed the operations firsthand. The highlight of the visit was observing the work at the shop floor and witnessing the Body building of automobiles body. This experience provided students with valuable insights into modern manufacturing techniques and the integration of automation in industrial processes.

Conclusion:

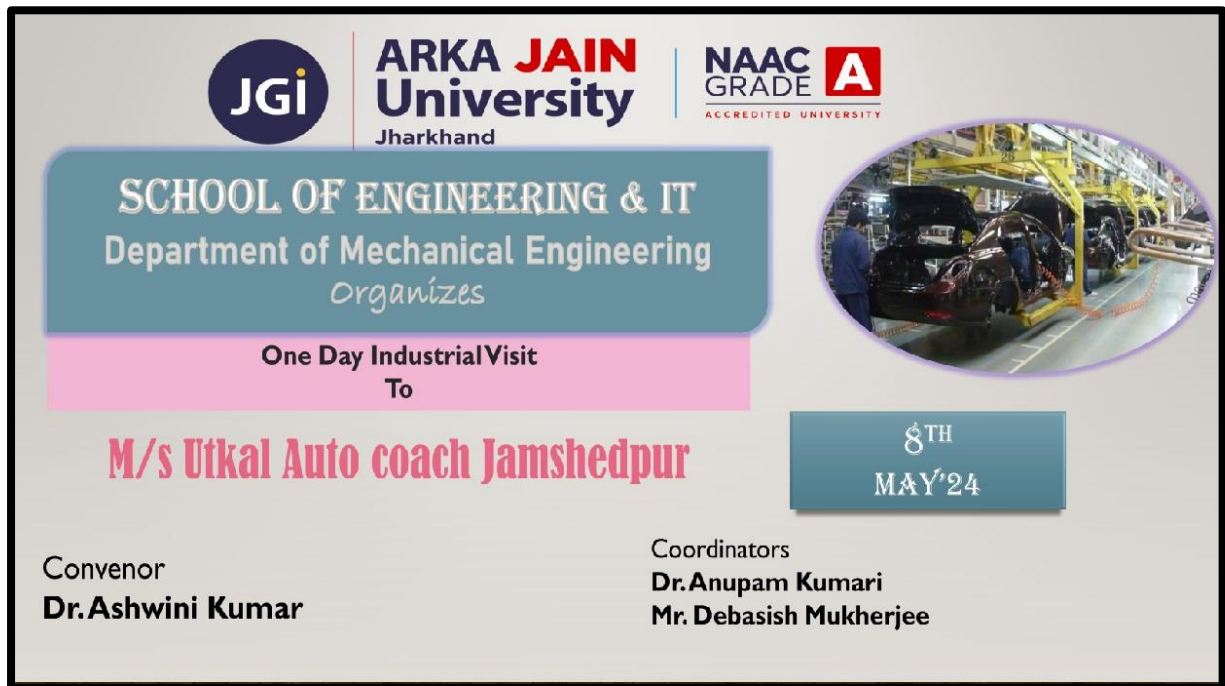

Overall, the industrial visit to M/S UTKAL AUTO COACH plant proved to be highly beneficial and fruitful for the engineering students. It provided them with practical

exposure to industrial processes, technology applications, and real-world engineering practices. The interactive sessions with the HR team, coupled with the plant visit, enriched the students' understanding and appreciation of the engineering industry. Such initiatives play a crucial role in bridging the gap between academic learning and industry requirements, preparing students for future careers in engineering.
