ABOUT JGI GROUP

JGI Group is an education provider and an entrepreneurship incubator in India. The Group successfully operates 85 educational institutions with 51,600 students and 6,450 employees engaged at the K-12, undergraduate and postgraduate levels spread across 64 campuses pan India. A leader in the education sector and a pioneer in the venture sector, JGI Group is constantly in search of new opportunities to expand its horizon. Founded as an educational institute in the early 1990s, JGI Group revamped the prevalent methods of education and focused on innovation and entrepreneurship. It created ripples in the educational sector and enabled JGI Group to establish itself as one of the leaders in the education sector. Jain University, Jain Colleges, Jain Heritage Schools, Jain International Residential School, Jain International Schools, Jain Public Schools, and Jain Toddlers stand testimony to the vision and commitment of JGI Group towards educational excellence. Education combined with entrepreneurship is the stated aim of JGI Group.

The organization encompasses an enthusiastic team of business and financial experts who help in the development and growth of nascent enterprises. Several start-up enterprises have established their businesses through JGI's entrepreneurial vision. More than 100 entrepreneurs and 50 ventures from various domains like IT, Financial Services, Home Decor, Hospitality, Music, Education, and Engineering were incubated by JGI's entrepreneurial wings so far. Moving forward, the JGI Group will continue to innovate, evolve, and challenge the dynamic realms of education and entrepreneurship.

Notable Alumni of the JGI group

- Pankaj Advani – World Billiard's Champion
- Robin Utthappa – International Cricketer
- Manish Pandey – International Cricketer
- Shikha Tondon – International Swimmer
- Rohan Bopanna – Ace Tennis Player
- Anup Sridhar – International Badminton Player
- K L Rahul – International Cricketer
- Karun Nayar – International Cricketer

- Varun Aaron – International Cricketer

BRIEF NOTE ABOUT ARKA JAIN UNIVERSITY

With a vision to empower talent through its innovative learning experience, ARKA JAIN University, Jharkhand intends to become an educational hub for millions of young minds across the country and internationally. Situated at the 1st industrial town of India, popularly known as Tatanagar or Jamshedpur, named after visionary industrialist Shri J.N. Tata, founder of Tata Group, the university has evolved magnificently over the last few years. ARKA JAIN University enlightens each and every aspiring student on higher education and career choices. Its ever-evolving and open-minded system encourages students to exceed expectations in their area of interest, thus, guiding them to become ethically sound individuals. Due to its quest for continued success and resilience, ARKA JAIN University, Jharkhand is on its way to become one of the top universities in eastern India. The university, which is spread across 23 acres, has left no stone unturned in providing state-of-the-art facilities in various sectors including education, sports, entrepreneurship, research, and its other ventures.

In Feb'2017, ARKA JAIN University was established by the JHARKHAND State Legislature under "The ARKA JAIN University Act". The University is a UGC-recognized university. The sprawling campus of the University is situated at Gamharia, Dist: Seraikela- Kharsawan, 13 km from steel city Jamshedpur. The University offers multi-disciplinary programs, all of which are designed to be industry-relevant.

ARKA JAIN University is promoted & managed by ARKA Educational & Cultural Trust (sponsoring body), a trust incorporated under trust act, registered under Registrar of Government of Karnataka, Registration No: BSG - 4 - 00138 - 2009 dated 21st November 2009.

VISION

To Develop Human Capital by creating spirited learning environment by empowering the students with knowledge, skills and instil social responsibility towards holistic development

QUALITY POLICY

- To make sure that the academic programmes meet the accepted norms as per the stakeholder's requirements
- To ensure effective functioning of processes, systems and policies pertaining to quality standards at various levels
- To foster quality enhancement to realize academic excellence
- To empower students with knowledge, skills, attitudes by imparting quality education

CORE VALUES

- Ethics and integrity
- Environmental consciousness & sustainable development
- Promotion of Indian culture & heritage
- Active citizenry
- Intellectual and Moral Uprightness
- Service to society and contribution towards national development

MISSION STATEMENTS

1. To impart multidisciplinary and a holistic education in order to ensure the unity and integrity of all knowledge.
2. To create academic impact through a combination of age-old tradition with modern scientific knowledge
3. To create a lifelong learning environment that nurtures intellectual inquisitiveness, holistic & critical thinking, ethics and human values, equity and inclusion, and life skills, and thus making students responsible citizens and nation builder
4. To augment the employability aspect of students as per global requirements
5. To provide ideal environment for research, innovation, consultancy and entrepreneurship for larger and wider socio-economic and humanistic progress
6. To endow the faculty and staff members with necessary means so that they can deliver on the stated lines
7. To create a global tribe of technocrats, managers, entrepreneurs, scientists, biologists, pharmacists, artists and other professionals
8. To engage with industry, and society at large, in productive manner
9. To promote respect for diversity and respect for the local context in all curriculum, pedagogy, and policy

CHANCELLOR'S MESSAGE

ARKA JAIN University offers a gamut of programmes under its umbrella. The University is the fastest growing university in the industrial state of Jharkhand, being situated in Jamshedpur or Tatanagar, the first planned industrial city of India which is the most populous as well as the largest city of the state. The University comes under the ambit of the prestigious JGI Group, Bengaluru having its presence all across India what with close to 52,000 students and around 6,500 educationists providing quality education solutions at the K-12 as well as at the diploma, undergraduate, postgraduate, doctoral levels through HEIs.

The Group firmly believes in a holistic approach towards education thus leading the all-round development of the students, its prime stakeholders and ARKA JAIN University, Jharkhand works with the same ideology. The Group amalgamates its educational offerings with an entrepreneurial approach thereby supporting multitude of startups and enterprises. ARKA JAIN University provides great emphasis on interactive learning thus making the process of learning wholesome.

Apart from the modern amenities and infrastructure-related facilities, the students are provided with humble and unassuming atmosphere. A lot of emphasis is laid on the overall personality development so as to make them industry-ready. The University tries to achieve this through the state-of-the-art infrastructure, picturesque & inspiring setting and devoted team of faculty-members and administrators. The learning ambience at all the constituting Schools of the University is perfectly suited for all-round growth and academic excellence. The University recognizes the abilities of its students very well and enables them to harness their potential so that they grow and evolve into successful professionals.

Our focus remains on grooming efficient, confident and highly knowledgeable technocrats, managers, pharmacists, diploma holders, health & legal professionals, fashion designers, journalists, media professionals and entrepreneurs with global thinking and futuristic mind-set that will contribute to nation building with simultaneous faith in corporate ethics. The efforts of the University have been recognized in the form of various awards and felicitations.

Dr. Chenraj Roychand
Chancellor
Founder-Chairman, JAIN Group

THE VICE-CHANCELLOR'S MESSAGE

The contemporary global order is such that makes things at our disposal challenging as well as rewarding simultaneously. Pragmatic organizations need to reinvent themselves during these tumultuous times. The large-scale trends are such that they have led to new opportunities which benefit the abilities and talent of the professionals. The margin for error is not much and the new crop of students needs to understand that they need to be accountable for their actions.

The professional approach which ARKA JAIN University adopts towards providing quality professional education at various levels to its students ensures instilling the right set of fundamentals in them so that they can prove their mettle.

What assumes important for the students is the seat of learning which they choose for their higher studies. Additionally, the choice of specialization, wherever applicable, makes it necessary for them to think about the manner in which they intend their career path to shape up. This sort of decision-making requires thorough understanding and a certain level of diligence. In this regard, ARKA JAIN University comes into the picture as it enables its students to think with rationality.

Our patrons from corporate as well as academe have been appreciative of the unique teaching pedagogy being employed by the University for the reason that students get exposure to plethora of opportunities to learn and grow. Their latent talent is taken care of thanks to extra-curricular and co-curricular activities which are an integral part of the entire learning experience. Apart from classroom teaching, such activities as guest lectures, workshops, industrial visits, workshops, conferences, seminars, etc. are a regular feature.

ARKA JAIN University has been striving to give the students first-hand experience of the best standards of Higher Education in this part of the country. The academic environment in the University conducive to learning helps one in becoming an independent thinker; the greatest virtue that education can bestow on anybody.

Prof. (Dr.) Syed Safdar Razi
Vice-Chancellor
ARKA JAIN University

INFRASTRUCTURE

ARKA JAIN University has all the necessary infrastructural components to provide our students with a conducive learning environment. The University has continued to invest in the development of state-of-the-art infrastructure and cutting-edge facilities. It has witnessed significant upgrades to the classrooms, laboratories, libraries, and workshops, enabling the students and faculty to engage in advanced research and experiential learning. These infrastructure enhancements have enhanced the overall educational experience at ARKA JAIN University.

The ambience of the campus is calm, and spacious with good amenities and utilities in a visually appealing landscape. The classrooms have enough lighting and digital facilities for ICT enabled classes. The useful facilities such as libraries, toilets, playgrounds, sinks, multipurpose rooms, work areas, lockers, storage spaces, etc. are in adequate scale.

RENOWNED CERTIFICATION PROGRAM BY GLOBAL PROFESSIONAL BODIES

Accountancy Professional Bodies

It is believed that accountancy is vital for economies to grow and prosper which is why all over the world professionals utilize various principles related to accountancy to make the society fairer and more transparent. AJU has established close academic association with global professional accountancy entities.

The major accountancy entities meant for the benefit of the students of School of Commerce & Management are mentioned below:

Association of Chartered Certified Accountants (ACCA)

ACCA, UK is a globally recognized professional accountancy body that equips individuals with the necessary skills and knowledge to succeed in the field of accounting and finance. ARKA JAIN University is associated with ACCA.

An ACCA qualification proves advantageous for a university in several ways:

Enhance the reputation of the university: Offering an ACCA qualification helps enhance the reputation of the university as it is a highly respected and sought-after qualification in the accounting and finance industry.

Increase employability of graduates: Graduates who have an ACCA qualification are highly sought after by employers in the accounting and finance industry. Offering an ACCA qualification helps increase the employability of the university's graduates.

Provide professional development opportunities to faculty members: Faculty members who are ACCA qualified provide valuable insight and knowledge to their students. They also benefit from ongoing professional development opportunities that result from ACCA membership.

Access to ACCA resources: Universities offering the ACCA qualification benefit from access to a range of resources and support from ACCA. This include study materials, exam support, and networking opportunities with other ACCA members.

Offering an ACCA qualification becomes beneficial for a university in terms of enhancing its reputation, increasing employability of graduates, providing professional development opportunities for faculty members, and accessing resources from ACCA.

Chartered Institute of Management Accountants (CIMA)

CIMA is a professional body based out of UK which focuses on the practical aspects of accounting and finance in a business context. AJU has a long term association with CIMA. The advantages of pursuing a CIMA qualification are:

Industry relevance: CIMA is highly regarded in the industry, with a strong focus on the practical skills and knowledge that are relevant to businesses today.

Business-focused: CIMA covers a wide range of business skills, including strategic planning, risk

management, and project management, which help individuals to develop a broader understanding of business operations.

Global recognition: CIMA is recognized globally, making it an ideal qualification for individuals who want to work internationally.

Career opportunities: CIMA qualified professionals are in high demand by employers worldwide, with many opportunities for career progression and development.

Flexibility: CIMA offers flexible study options, allowing individuals to study at their own pace and in their preferred format (classroom-based, online, or self-study).

Continuous professional development: CIMA requires members to engage in ongoing professional development, ensuring that they remain up-to-date with the latest developments in the industry.

Access to a professional network: CIMA provides networking opportunities with other members and professionals in the accounting and finance industry, helping individuals build their professional network.

Pursuing a CIMA qualification provide individuals with a competitive advantage in the job market and help them develop the necessary skills and knowledge to succeed in the field of accounting and finance, particularly in a business context

Analytics Professional Bodies

KPMG-Certified Business Analyst (CBA) offered in association with Miles Education

Certification in Business Analyst is being offered to students of BBA and B Com Hons. by KPMG through its country partner Miles Education. With the help of this certification, students became certified in business analysis.

There are various benefits of this additional certification opportunity:

Enhance the reputation of the university: Offering a CBA qualification helps enhance the reputation of the university as it is a highly respected and sought-after qualification in the business analysis field.

Increase employability of graduates: Graduates who have an CBA qualification are highly sought after by employers in the business analysis industry. Offering an CBA qualification helps increase the employability of the university's graduates.

Expertise: KPMG has extensive experience in creating resources for professional qualifications such as CBA. Their resources are designed by subject matter experts, ensuring that they are accurate and relevant.

Access to the latest material: KPMG is committed to keep its study material up-to-date with the latest developments in the industry thus ensuring that students have access to the concurrent and relevant information.

Quality resources: KPMG is known for its high-quality educational resources, which are well-researched, well-written, and engaging thus making learning more effective and enjoyable.

In summary, an association with KPMG provides students with high-quality and comprehensive study materials, expert guidance, and support, and access to the latest information and resources for becoming certified business analysts.

Institute of Analytics (IoA)

ARKA JAIN University has an association with IoA which is a professional body for analytics and data science professionals in UK and functions globally. It focuses on advancing the practice of analytics in various industries. This association is meant for its BCA students so as to enable them towards a degree with an additional certification in data analytics

Some advantages of an association with the Institute of Analytics are:

Access to expertise: The Institute of Analytics provides access to a network of analytics experts, who offer insights and guidance with regard to best practices in analytics.

Professional development: The Institute of Analytics offers training and professional development opportunities for individuals looking to improve their analytics skills and knowledge.

Industry recognition: Association with the Institute of Analytics enhances an individual's credibility and recognition in the industry, particularly in the field of analytics.

Career opportunities: An association with the Institute of Analytics provides access to job opportunities in the analytics industry, as well as opportunities for career progression and advancement.

Research and publications: The Institute of Analytics conducts research and publishes reports on the latest trends and developments in the analytics industry, providing valuable insights to professionals.

Networking opportunities: The Institute of Analytics provides networking opportunities with other analytics professionals, which help individuals build their professional network and make valuable connections in the industry.

An association with the Institute of Analytics provides individuals with access to expertise, professional development opportunities, industry recognition, career opportunities, research and publications, and networking opportunities, all of which help individuals advance their careers in the field of data analysis.

ARKA JAIN UNIVERSITY LIBRARY

Library is among those facilities which are needed with regard to providing infrastructural support to the students, staffs and research scholars so that they can further their learning efforts and enhance knowledge.

The library-related services as provided at ARKA JAIN University has been developed as per its requirement. The Central Library of the University is automated, duly supported by the LIBMAN Library Management Software (LMS). It is a Proprietary Software which has unique features, much beneficial in the contemporary setting.

Apart from the AJU Central Library (CL), there are two different libraries, namely School of Law and School of Health & Allied Science. Thus overall there are three libraries within the University premises. ARKA JAIN University has signed MoU with INFLIBNET and also subscribed anti-plagiarism software –Original from INFLIBNET to enhance the quality and integrity of research.

Repository

AJU has an evolving library repository in a centralized location for storing and organizing collections of digital resources, books, articles, and other scholarly materials. Library repositories serve as important resources for researchers, students, and academics, as they provide easy access to a wide range of information that can be used to support academic pursuits.

The usefulness of library repositories lies in their ability to provide easy access to high-quality, peer-reviewed content that can be used to support research and learning. By centralizing collections of digital resources, library repositories make it easier for researchers and students to locate and access relevant materials, which can save time and improve the quality of academic work.

In addition to providing easy access to digital resources, library repositories also offer a number of other benefits. They help to preserve important scholarly works, ensuring that they are available for future generations of scholars to study and build upon. They can also facilitate collaboration among researchers and scholars, by providing a platform for sharing research and ideas.

In terms of total books, journals, e-journals and databases AJU library has been active to procure library materials as and when requisitions are received and it is still in the regular process of procuring good content study and reference books. The numbers can be listed as below:

Books: 8730

Journals: 137

e-journals: 136

Databases: 6

INDUCTION CUM ORIENTATION PROGRAMME

An induction cum orientation program is indeed important for fresher students who are entering a new academic environment. It becomes important as it familiarizes students with the campus, helps students connect with peers, introduces students to academic culture, and provides important information. A good induction cum orientation program helps students become familiar with the campus, its layout, and its facilities. This help them feel more comfortable and confident as they navigate the new academic environment. Students who are new to a college or university may feel isolated or overwhelmed. An induction cum orientation program provides opportunities for students to meet and connect with their peers, which can help them build a support network and feel more connected to the institution. The academic culture of a college or university can be very different from that of high school or other educational institutions. An induction cum orientation program can help students understand the expectations and norms of their new academic environment, which can help them succeed academically. An induction cum orientation program provides students with important information about academic policies, resources, and support services. This information can help students make informed decisions and access the resources they need to succeed. An induction cum orientation program for fresher students ultimately help them feel more comfortable and confident as they transition to a new academic environment, which can improve their academic success and overall college experience.

ARKA JAIN University has been taking it serious to conduct induction-cum-orientation program for the new entrants with expected outcomes depending on the specific goals and objectives of the programs. The Induction program is named as Aarambh and it defines the expected journey of the learners in the stay in the campus during the course duration.

The Induction cum Orientation Programme (AARAMBH-22) is conducted for a week by each of the Schools in different schedules for the new batch of students taking admission in different departments of the university. The objective of the Orientation Programme remains to familiarize the students to the Institute's environment by providing all relevant information with respect to academics, co-curricular, and extra-curricular activities. Guests from different field were present in the programme. Mr. PS Reddy, MD Jamipol Ltd. was the chief guest of the inaugural session of the induction programme. AWARDS AND RECOGNITION FOR FACULTY

Year of Award	Title of the innovation	Name of the Awardee	Name of the Awarding Agency with contact details
2021	Research Excellence Award 2021	Dr Binod Kumar Choudhary	InSc Awards 2021, Institute of Scholars (An ISO 9001:2015 Certified Institute by International Accurate certification, Accredited by UASL) in June 2021
2021	International Institute of Influencer, Affiliated with Crown University International Chartered Inc.	Dr. Bodhisatva Acharya	Best Influencer
2021	Shri Paramhans Education and Research Foundation trust (Regd. With the Govt. of NCT of Delhi & NITI-AAYOG)	Dr. Bodhisatva Acharya	Best Principle of the Year, 2021
2021	Book for Peace International Award	Bodhisatva Acharya	Gold Ambassador for Human Rights
2021	IPES AWARDS 2021, Lucknow, India	Dr. Shweta	DYNAMIC PHARMA TEACHER AWARD by Indian Pharma Educational Society (IPES) Lucknow in collaboration with Pharmatutor
2021	IPES AWARDS 2020, Lucknow, India	Dr. Shweta	Women Young Scientist Award organized by IPES, Lucknow in collaboration with Pharmatutor & St. Dominic College of Asia, Phillippines (Nov-2020).
2021	"Best Young Faculty Award" under the category of "Electrical & Electronics Engineering" specialization	Mr. Kumaresh Pal	National Faculty Award 2021-22, Novel Research Academy
2021	Best Researcher Award	Dr. Kirtimaya Mishra	Noval Research Award
2021	"Best Physics Professor of the Year"	Dr Binod Kumar Choudhary	Global Teaching Excellence Awards 2021(GTEA 2021) Organised by Kiteskraft Productions.

Connecting Scholars Since 2014

Institute of Scholars

An ISO 9001:2015 certified Institute by International Accurate Certification, Accredited by UASL

Bringing ideas into reality.....

InSc Awards 2021

Certificate

Research Excellence Award 2021

awarded to

Dr. Binod Kumar Choudhary

M.Sc. (Physics), NET (CSIR), Ph.D.

Assistant Professor of Physics

Department of Engineering, School of Engineering and IT

ARKA Jain University

Oposite Kerala Public School

Jamsedpur, Jharkhand

For the work with following details

Publication Type: Journal

Paper Title: Sum Squeezing of the Field Amplitude in Frequency

Upconversion Process

Journal Name: International Journal of Optics

Volume: 8

Issue No.: 9

Month of Publication: February, Year: 2020

Page No.: 1-9

ISSN: 1483710

A handwritten signature in black ink, appearing to read 'Nanjesh Bennur'.

Nanjesh Bennur
Director, InSc

DEPARTMENT OF BIOTECHNOLOGY
Ministry of Science & Technology
Government of India

Certificate of Appreciation

This is to certify that

Dr. Shweta Shrivastava

Assistant Professor
School of Pharmacy Arka Jain University,
Jamshedpur, Jharkhand

Was a resource person for the
DBT Sponsored National E-Conference on '**Targeted Drug Delivery System
Against Neurodegenerative Diseases**' on 20th and 21st Jan 2022.

Organized by

College of Pharmaceutical Sciences, Dayananda Sagar University

Bengaluru

Convener

Dr. Prashant Tiwari

Principal

Dr. V Murugan

Dean

Dr. Pushpa Sarkar

Vice Chancellor

Dr. K.N.B Murthy

NATIONAL FACULTY AWARD 2022-2023

NOVEL RESEARCH ACADEMY

Puducherry, India

ISO 9001 : 2015 Certified

(A Division of New Swertia Publications)

UDYAM REGD. NO.: PY-03-0003542

(A Registered Enterprise under the Govt. of India)

Ref: NRA/BRA/0112563/2022-2023

Certificate of Merit

This is to certify that

PROF. (DR.) KIRTIMAYA MISHRA

Professor, School of Pharmacy, Arka Jain University,

Jamshedpur, Jharkhand - 832108, India

has been honoured with

BEST RESEARCHER AWARD

From the Academy for his academic contribution in Pharmaceutical Sciences under the category of "PHARMACY" specialization having been adjudicated during the academic year 2022-2023 by Novel Research Academy, Puducherry, India. The academy congratulates him for the outstanding academic achievements and wishes that he gets many more laurels in the years to come and contribute towards promotion of higher education in India.

Date & Place: 15th August 2022, Puducherry, India

Mohandass
Dr. D. Mohandass, M.Sc., Ph.D., P.D.S. (Abroad)
Young Scientific Fellowship (Abroad)

EXTENSION AND BEYOND CLASS ROOM ACTIVITIES

Extension Activities are a part of the education system where students indulge themselves in another way of learning outside their textbooks. They contribute to boosting one's self-confidence and overall personal development.

A part from class room activities, the University organizes various extracurricular activities throughout the year which provide opportunities for students to excel in fields that are not associated directly with their syllabus and academics. These activities encourage students, instill confidence and eliminate any self-doubts. Participating in extracurricular activities leads to increased socialization and eventually better communication skills. The primary goals of extracurricular activities focus on the individual student level, the institutional level, and the broader community level. These activities exist to complement the university's academic curriculum and to augment the student's educational experience. A part from different Clubs of the university, **National Service Scheme (NSS)** and **National Cadet Corps (NCC)** are two important cells which monitor students and staffs and promote extracurricular activities inside and outside the University for students' overall growth and community development.

National Service Scheme (NSS)

The National Service Scheme (NSS) is an Indian Government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhi's Centenary year, 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities, and at +2 level working for a campus-community linkage.

National Cadet Corps (NCC)

The National Cadet Corps is the Indian military cadet corps with its Headquarters at New Delhi, Delhi, India. It is open to school and college students on a voluntary basis. National Cadet Corps is a Tri-Services Organization, comprising the Army, Navy and Air Force, engaged in grooming the youth of the country into disciplined and patriotic citizens. The National Cadet Corps in India is a voluntary organization which recruits cadets from high schools, colleges and universities all over India. The Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selections based on the achievements in the corps.

N.C.C is the largest disciplined youth organization of our country. N.C.C. was established in the year 1948 by enacting an act "National Cadets Corps – 1948" through Parliament in our country. N.C.C. trainings are imparting to students of schools, Colleges & Universities. Our university has an N.C.C. company attached to 37, Jharkhand N.C.C. battalion, Jamshedpur. Every year both boys and girls from various programmes join varsity N.C.C. unit.

This is to Certify that

Mr/Mrs. Harsh Kumar Singh
of AJU, Jamshedpur has been awarded 2nd Place in
University level Event "Nukkad Natak-2022"

Event Co-ordinator

Director
CMS Business School
Jain (Deemed-to-be University), Bangalore

CULTURAL AND SPORTS ACTIVITIES

Nowadays, knowledge, culture and creativity are cornerstones of any academic institution. Culture-based education is an approach in which teaching and learning happen based on the values, norms, beliefs and practices that are the foundation of any culture. Culture influences how we see the world, how we see the community that we live in, and how we communicate with each other. Apart from curricula and academic studies Arka Jain University is very much dedicated to uphold the cultural values and diversity among its students, staffs and teachers and in this regard, varsity, different department and clubs & cells time to time organizes cultural fests and programmes for holistic development of the students and other stakeholders. **‘AAGAAZ’** and **‘NAVOTSAV’** are two flagship cultural platforms of the varsity which celebrates diverse cultures of India as a nation.

A culturally responsive campus and class room is one where the students feel respected and safe to learn and participate. It is a place where they develop a sense of pride and self-esteem. When they view their cultures being promoted at varsity and they feel included in their university community empowering them and creating a sense of pride for their cultural heritage. Students here perform better academically and also grow up to be more independent and active citizens when they learn in an environment where their language and culture are valued.

SPORTS ACTIVITY CONDUCTED BY THE UNIVERSITY

Sports and games are an integral part of human life and it serves a variety of purposes, including providing exercise and recreation, building character and teamwork skills, and promoting competition and friendship.

Arka Jain University dedicates its fullest capacity in promoting sports activity in the campus. **Jain Premier League and Runbhoomi** are two intra and inter college competition based flagship annual sports events of the varsity being organized every year for various sports performance. One of the main benefits of sports and games is that they provide a way for people to get regular physical activity, which is essential for good health. Exercise helps to strengthen the heart and lungs, improve muscle tone and flexibility, and reduce the risk of obesity, heart disease, and other health problems. Sports and games also provide a fun and enjoyable way for people to get the exercise they need.

In addition to providing exercise, sports and games also help to build character and teamwork skills. Playing sports and games requires discipline, determination, and the ability to work with others towards a common goal. Sports are an important part of a student's and staff's growth and development which help in the growth of mental well-being and physical fitness. Students develop a variety of personality-enhancing skills, experience, and confidence through participation in sports and games.

AARAMBH

A week-long Induction cum Orientation Programme (AARAMBH) is conducted for the new batch of students of all the Programmes of the university. In 2021 it was conducted in different schedules in between 15 Sept., 2021 and 13th Nov., 2021. The objective of the orientation programme is to familiarize the students to the Institute’s environment by providing all relevant information with respect to academics, co-curricular, and extra-curricular activities.

The induction programme covers different areas like rules and regulations, code of conduct, discipline, examinations, library, placement, etc. Separate sessions with distinguished alumni and guest speakers are invited to deliver talk which provides students a real time understanding of market and industry. The students were also told about the various committees and clubs and the various events organized under their aegis.

TRAINING AND PLACEMENT & TOP RECRUITING AGENCIES

ARKA JAIN University makes all efforts for proper training and placement of the students. The training activities include workshops, seminars, guest lectures, and other events that provide students with practical skills and knowledge related to their chosen field. These activities are organized by the university's Training & Placement department, academic departments.

Placement activities typically involve connecting students with job opportunities, such as internships, co-op programs, and full-time positions. The University has relationships with employers in various industries and works to facilitate job placements for their students. Career fairs, networking events, and employer information sessions are organized for students to learn about job opportunities and make connections with potential employers.

The goal of training and placement activities is to help students build the skills and connections necessary to succeed in their chosen careers.

The T & P Department has been striving hard to get most of the students placed and it has been successful. The journey continues for better records.

COUNSELLING CENTRE

ARKA JAIN University recognizes the importance of mental health and provides a counselling centre on campus to help students cope with personal, academic, and emotional challenges.

The centre offers confidential counselling services to students who are struggling with mental health issues.

The counselling centre at ARKA JAIN University offers a variety of services to students, including individual counselling sessions, group therapy, and workshops on various topics related to mental health and wellness. Some of the issues that the centre help students with include stress, anxiety, depression, relationship issues, grief and loss, and academic and career concerns.

The centre also provides crisis intervention services to students who may be experiencing an emotional or psychological crisis. Students can reach out to the centre during office hours or contact the centre's emergency hot line for immediate assistance outside of office hours.

The counselling centre at ARKA JAIN University is an essential resource for students who need help with their mental health and well-being. The university's commitment to providing these services shows its dedication to creating a safe and supportive environment for all students.

SPORTS AND GYM FACILITIES

ARKA JAIN University is committed to promoting a healthy and active lifestyle among its students and offers a range of sports facilities to cater to their needs. The university has a well- equipped gymnasium with modern equipment and facilities for students to exercise and stay fit. Additionally, the university also has facilities for outdoor sports such as cricket, football, basketball, volleyball, and badminton.

The university also encourages students to participate in various sports and fitness events throughout the year, including intercollegiate tournaments, sports festivals, and health and wellness programs. These events provide students with opportunities to showcase their skills and compete with their peers from other colleges and universities.

ARKA JAIN University aims to provide its students with a conducive environment for sports and fitness activities, allowing them to maintain a healthy and balanced lifestyle alongside their academic pursuits.

CONVOCATION

Convocation is the most prestigious and awaited moment of student's life and ARKA JAIN University organized its first convocation on 10th Oct 2022.

University convocation is a celebration where graduating students receive their academic hoods and gowns and cross the stage to receive their degrees in front of their university's professor, faculty members and other dignitaries, guest, family and friends in the audience. University convocation celebrates students' culmination of their academic journey with a particular institution.

University convocation refers to a celebratory ceremony where degrees are conferred upon a graduating class where students and scholar receive their academic degrees and declared officially graduated. More than eighteen hundred degrees has been given to the students and scholars of various disciplines.
