**OBJECTIVE:** Raja Utsav in college aims to provide a vibrant, educational, and enjoyable experience for all participants. The festival not only preserves cultural heritage but also fosters community spirit, enhances well-being, and promotes inclusivity and diversity within the college.

**DETAILS:** Raja Utsav, a traditional festival from the Indian state of Odisha, marks the advent of the monsoon and celebrates the fertility and rejuvenation of the Earth. Raja itself means menstruation, and around this time, it is believed that Mother Earth has a three-day menstrual cycle. The festival teaches to understand the importance of menstruation is for creation. This festival, dedicated to Bhudevi, the Earth Goddess, is particularly significant for women, symbolizing their strength, beauty, and grace. The festival is an opportunity to honor and appreciate the contributions of women, promote cultural heritage, and enhance community bonds through various traditional activities and festivities. The School of Pharmacy, in association with the Internal Complaints Committee (ICC) of ARKA JAIN University, organized Raja Utsav on June 8th, 2024, at the Multipurpose Ground. The festival aimed to celebrate womanhood and was attended by dignitaries from ARKA JAIN University, including: Dr. S.S. Razi (Chairperson, Board of Management), Dr. Amit Shrivastav (Registrar), Dr. Jasbir Singh Dhanjal (Joint Registrar), Dr. Arvind Kumar Pandey (IQAC Director), Dr. Angad Tiwari (DSW), Dr. Charu Wadhwa (Presiding Officer, ICC), Dr. Jyotirmaya Sahoo (Dean, School of Health and Allied Sciences), Deans and Heads of various departments, Faculty members and students of the School of Pharmacy. The event commenced with the dignitaries addressing the gathering, highlighting the significance of Raja Utsav and its cultural importance. Their speeches underscored the festival's role in celebrating womanhood and promoting cultural traditions. Following the speeches, a flower bestowing ceremony was conducted to honor the female faculty members. This gesture was a symbol of appreciation for their contributions and dedication. The celebration continued with a cake cutting ceremony, signifying the joy and togetherness of the occasion. Students from the School of Pharmacy performed beautiful and vibrant dance entertaining the audience and showcasing their talent and enthusiasm. A traditional swing, known as Pata Doli, was set up, allowing the female faculty members to participate and enjoy this customary activity, adding to the festive spirit.

The highlight of the event was the awarding of the Raja Queen title, which was bagged by Ms. Nisha Panda, Assistant Professor, School of Pharmacy. She was crowned by the dignitaries, celebrating her grace and poise. A traditional lunch was prepared by the cook on this auspicious occasion, followed by refreshments including pan and lassi, which were served to the gathering enhancing the festive atmosphere. The entire event was anchored by Mr Shristi Shreya of B.Pharm 6th semester student of School of Pharmacy. The School of Pharmacy, along with the Internal Complaints Committee, successfully organized a memorable event that upheld the traditions of Raja Utsav while fostering a sense of unity and appreciation within the university community. The event made realise everyone that menstruation is not a regrettable action it's something preparation for a new creation. The moral of the event by the Registrar Dr. Amit Shrivastav "No matter how prosperous or not a nation is, if there is domestic violence in that nation and women are not getting respect, then the education of that nation is of no use".

## Poster of the Event

The poster features a central image of a man and a woman in traditional Odia attire, likely representing the 'Raja' and 'Rani' characters. They are standing in a lush green field, holding hands and looking at each other. The woman is wearing a vibrant green and red sari with a floral pattern, and the man is wearing a yellow and green dhoti with a green shawl. The background is a soft-focus green field with trees.
