DETAILS:

The Six days National Level Advanced Faculty Development Program (Hybrid Mode) on **Academic Ethics and Scientific Writing” In association with IPR CELL, AJU & IQAC CELL, AJU, From 18/03/2024– 23/03/2024.**

This Faculty Development Program (FDP) is aimed to provide knowledge on Academic Writing which academically implies having a structured, evidence based and formal tonality. Researchers often lack the specific skill sets to plan the writing process systemically owing to negligence of training in writing skills at different educational levels

The course was attended by 75 participants, including faculty members, researchers, and professionals from various fields. The course was coordinated by Dr. Binod Kumar Choudhary & Dr. Pdamaja Tripthy, a renowned researcher in their respective field of research methods. Dr. Binod Kumar Choudhary & Dr. Pdamaja Tripthy, have published

numerous research papers and books on latest research trends and has conducted several workshops and training programs on the same.

The course was structured into 14 sessions spread over Six days. The Complete FDP was designed to be conducted in Six days with three sessions each day. In the 1st day, Inaugural session, Dr. Ashwini Kumar, Convener of the FDP, introduced participants will be guided on topics like ethics in academic communication, scientific writing and techniques of research publication followed by issues in secondary research. The second session conducted by **Prof. (Dr.) Asis Kumar Triapthy** covered the various stages of “**Scientific Writing and Publication**” qualitative research, such as data collection, analysis, and interpretation. The third session of day-1 was delivered by **Dr Vishesh Ranjan Kar** on topic “**Selection of Research Problems**”. The participants were encouraged to ask questions and share their experiences during the session.

The 2nd day, 1st session was delivered by **Dr. Arun Kumar Singh**, on topic ““**Future Directions in Literature Review Methodologies**” He explained how to do **Literature Review** in proper way writing a Proper. The participants were given practical exercises to try out these methods. Same day, 2nd session was delivered by topic “**Dr Pratima Srivastava** ” on the topic “**Elements of Academic Writing: Distinguishing from non-academic writing**”.

On the 3rd day, was taken by **Dr. Dilip Kumar Singh** on the topic “**Intricacies, Art and Mathematical Modelling: A Tightrope Walker's Balance for Scientific Reporting**” The second session of day 3rd was delivered by “**Dr Dulari Hansdah**” on topic “**Scientific Writing of Experimental Research Paper**”.

The 1st session of day 4 was delivered by **Dr. Rupa Sarkar** on topic “**Literature Review and formulating the Research Question**” The another session of the day was delivered by **Dr. Md. Akhtar Khan,**, on topic “**Reference Management Tools**”.

On The 5th day, the 1st session was conducted by **Dr. Nitin Kumar Jaiswal** on topic “**Collaborative Research for Quality Publication**”. The second session of final day was delivered by **Dr Shewta Shrivastava** on topic “**Ethics in Academic Communication**”.

The 5th day, the 1st session was conducted by **Dr. Vipindas K** on topic “**Writing a Proposal**”. The second session of final day was delivered by **Dr Shewta Shrivastava** on topic “**Elements of Survey Research**” The last session was feedback and evaluation session.

Overall, the **National Level Advanced Faculty Development Program (Hybrid Mode)** on “**Academic Ethics and Scientific Writing**” in association with **IPR CELL, AJU & IQAC CELL, AJU 18th– 23rd March 2024** was a great success. The participants gained valuable insights into the theoretical and practical aspects of research proposal writing and publication. The course was highly interactive, and the participants were actively

engaged in discussions and practical exercises. The course ended with a certificate distribution ceremony, where the participants were awarded certificates of completion. The feedback from the participants was overwhelmingly positive, and they expressed their desire for more such courses in the future.

OUTCOMES:

- Build and nourish the ability to appropriately frame and structure a research argument
- Understand the nuances of writing different sections of an Academic document
- Probe into the multiple aspects of research ethics
- Understand the process of publishing and submitting an academic document
- Understand the research problem and research process.
- Understand research ethics.
- Prepare a well-structured research paper and scientific presentations
- Understand significance, effective technical writing and report.
- Understand the techniques of interpretation, and making scientific presentation.
