**COMPANY PROFILE:**

**Shadowfax** is India's leading crowdsourced technology based multi category last-mile express logistics platform, where technology is used to drive supply chain solutions, serving 300+ cities. Shadowfax is the first ever B2B platform which provides an array of products and services to serve multiple categories - including food delivery, multi-city fulfilment, express shipping, same day delivery services, reverse logistics ,online retail (physical goods e-commerce) , Pharma and grocery through a single platform, improving the earnings of delivery partners across the day. **Shadowfax, founded by IIT - Delhi Alumni, Abhishek Bansal, Vaibhav Khandelwal in 2015.** Shadowfax's leadership team combines world-class talent and entrepreneurial experience gathered at some of the best companies in the world. The company is well-funded by marquee investors like Eight roads, IFC(financial arm of World Bank), NGP, Mirae Assets and Qualcomm Ventures.

**Shadowfax's** services range from providing riders for doing a **30-minute delivery to four-day delivery.** **The company does not hire a delivery fleet – More than 20k delivery personnel come online daily for a few hours and paid about US\$1.5 per hour.**

**4 years into the industry, Shadowfax handles over 300,000 unique orders per day for over 170 clients across 300+ cities.** They provide a modular set of e-commerce technologies and logistics solutions to over 4000 pin codes. **They are the largest logistics partner for Flipkart, Amazon, Bigbasket and only player providing outsourced Logistics services to O2O Segment.**

**Shadowfax has a 60% market share in the outsourced food delivery market and believes it's delivery cost works out lower (vs food delivery players) due to cross-utilization of delivery personnel across different categories and platforms.**

**Shadowfax has a US\$60 MN annualized revenue run rate currently which it expects to increase to US\$350 MN by FY23.**
